A Tenderfoot With Peary (Classic Reprint) George Borup 2015-08-09 Excerpt from A Tenderfoot With Peary "Please write me a preface," said the boy, "if only of a hundred lines"-he is only a boy. Yet, like the youth of all ages, he is full of the spirit of adventure, possibly inherited from his forebears, who saw duty, in the army, or as pioneers on the far western plains. When our gallant little army fought its way across the continent to the Pacific coast, in the days now gone forever, it was regarded as the school of heroic endeavor for the youth of our nation. As well it might be, for the highway from east to west now happily spanned by the rails of commerce and peace was for more than a hundred years a trail of blood and death. And following back the course of the pioneers, it takes but a short stretch of the imagination to carry us to the heroic days of the fair-haired, blue-eyed Norsemen, who, impelled by the spirit of adventure, took to their ships after the farming season was over and sailed the seas near and far. Tenderfoot George Thomas 2011-12-28 Thomas' flinty new collection of poems, Tenderfoot, spanning forty years, hammers home the idea of expanding the view of landscape to include the self. Witness "Climbing Through A Deeper Silence" or the pilot's vertigo in "Detail from a Combat Flight," or the view from under the sea in "Fear of Singing." Some, in fixed forms and written at the start of the poet's journey, get to breathe again after years of incubation. Journey, pushing on into the interior, alone or with witness, seeking pause, and finally the end of looking, defines the great sweep of the book. And get a load of "Search by Posse"—maybe the best straight up, relentless narrative poem by an American since Dick Hugo. It alone is worth the price of the book. Let's hope this will put readers on notice that some poets who choose to self-publish really know which end is up. —Geoff Peterson, Fiery Messengers (an Authorhouse imprint)

Ralph Compton the Tenderfoot Trail Ralph Compton 2006-07-05 In this Ralph Compton western, even the most rugged trailsman has to watch his steps... It's called the Whoop-Up Trail. It's a two hundred mile stretch of rough terrain between Montana and Canada, littered with spiky brushwood, crawling with clawed and fanged critters of all shapes and sizes, and traversed by hostile Indians and vicious outlaws. But for Luke Garrett—framed for a murder he didn't commit, saddled with five mail-order brides, driving what's left of his cattle herd, and pursued by vigilantes—it's the only chance for survival... Tenderfoot Backpacking the John Muir Trail Claudia Sheets 2021-08-08 The story is about a recently retired middle school principal who, at sixty-three, decides to tackle the challenges of a seventeen-day backpacking trip on the John Muir trail in the Sierra Nevada Mountains of California. Always a hiker, Claudia felt that adding something she had always avoided, backpacking, would be what she was looking for to clean her brain and body from the minefield of her career. From preparations for the trip to the lessons learned on trail, the story unfolds with many humorous as well as inspiring trail experiences. About the Author Claudia Harris grew up in Seattle. After graduating from high school, she attended universities eventually obtaining a Bachelors of science degree in Biology. Claudia took graduate courses in Botany in Washington, leaving the course of study to move to California where she obtained her single subject teaching credential as well as a masters in educational administration. She taught Biology in high school for a number of years before moving to administrative positions in both high school and middle school. Claudia retired from a principal ship in middle school.

A Virgin on the Arizona Trail Jeremy Bolam 2013-05-15 When ageing Norfolk guesthouse owner, Jeremy Bolam's distance running career was brought to a shuddering halt by a couple of dodgy knees, he decided to take up trail walking instead. But with a track record of entering some of the world's most insane foot races, Jeremy was never going to make his first journey an easy one. After only two days practice in the Sussex Downs, Jeremy believed he was ready to take on the fearsome deserts and mountains of the 800 mile Arizona Trail and just two months after the last mile of the trail was completed, the trail virgin set out from the Mexican Border to attempt to walk to Utah on his own. This is the story of what happened.

Tenderfoot Trail Olive Spencer Loggins 1983 In 1926, the B.C. Government had a plan: 160 acres of land in exchange for hard work. For Olive Spencer Loggins, who was six months pregnant and husband Arthur, heading for the Cariboo and leaving the great depression behind in Vancouver was a dream come true. They traded urban soup lines for the thin gruel of their first winter in the north. The greenhorns learned fast. Their Aboriginal neighbours taught them to fish, their community danced them through the night, and they all valued work over money. This is a true story of the Canadian West, complete with bandits, hard-working women, and renegade moose.

The Fighting Tenderfoot William MacLeod Raine 2021 Young lawyer O'Hara gets an auspicious welcome to the town of Concho - a bullet through his hat. And before he has a chance to put up a shingle, he becomes involved in a bloody war between two cattle titans, Wesley Steelman and Dave Ingram. It is war without quarter, and among the two-gun mercenaries employed by both sides, the most notorious is eighteen-year-old Bob Quantrell. Cheerful and fearless, but a cold-blooded killer, Quantrell is loyal only to his own lightning-fast six-gun. O'Hara learns quickly that Colt and Winchester law hold precedence over Blackstone. But it is the passionate love of Barbara Steelman for her father's arch-rival that finally quells the bitter struggle. Still there is bloodshed on the range. Renegades from the cattle war are on the loose; Quantrell himself takes to the hoot-owl trail. And it is the tenderfoot lawyer who carries on a relentless pursuit.
