Celestial Sirens Robert L.

Kendrick 1996-05-23 This study investigates an almost unknown musical culture: that

of cloistered nuns in one of the major cities of early modern Europe. These women were the most famous musicians of Milan, and the music composed for them opens up a hitherto unstudied musical repertory, which allows insight into the symbolic world of the city. Even more importantly, the music actually composed by four such nuns, Claudia Scossa, Claudia Rusca, Chiara Margarita Cozzollani, and Rosa Giacinta Badalla - reveals the musical expression of women's devotional life. The two centuries' worth of battles over nuns' singing of polyphony, studies here for the first time on the basis of massive archival documentation, also suggest that the implementation of reform in the major centre of post-Tridentine Catholic renewal was far more varied; incomplete, subject to local political pressure and individual interpretation, and short-lived than any religious historian has ever suggested. Other factors that marked nuns' musical lives and creative output - liturgical

traditions of the religious orders, the problems of performance practice attendant upon all-female singing ensembles - are here addressed for the first time in the musicological literature. The Singing Nun Sally Benson 1968
Agatha of Little Neon Claire Luchette 2021-08-03 A National Book Foundation "5 Under 35" Honoree "An enchanting, sparkling book about the many meanings of sisterhood." —Kristin Iversen, Refinery29 Claire Luchette's debut, *Agatha of Little Neon*, is a novel about yearning and sisterhood, figuring out how you fit in (or don't), and the unexpected friends who help you find your truest self *Agatha* has lived every day of the last nine years with her sisters: they work together, laugh together, pray together. Their world is contained within the little house they share. The four of them are devoted to Mother Roberta and to their quiet, purposeful life. But when the parish goes broke, the sisters are forced to move.

They land in Woonsocket, a former mill town now dotted with wind turbines. They take over the care of a halfway house, where they live alongside their charges, such as the jawless Tim Gary and the headstrong Lawnmower Jill. Agatha is forced to venture out into the world alone to teach math at a local all-girls high school, where for the first time in years she has to reckon all on her own with what she sees and feels. Who will she be if she isn't with her sisters? These women, the church, have been her home. Or has she just been hiding? Disarming, delightfully deadpan, and full of searching, Claire Luchette's Agatha of Little Neon offers a view into the lives of women and the choices they make.

Mother Angelica Raymond Arroyo 2007-05-15 NEW YORK TIMES BESTSELLER • "In this dramatic page-turner, Raymond Arroyo has captured the life and lessons of Mother Angelica, a woman who may well be the patron saint of CEOs."—Lee Iacocca, The Iacocca Family Foundation,

former CEO of the Chrysler Corporation In 1981, a simple nun, using merely her entrepreneurial instincts and two hundred dollars, launched what would become the world's largest religious media empire. In the garage of a Birmingham, Alabama, monastery, the Eternal Word Television Network grew at a staggering pace under her guidance. Mother Angelica (1923-2016) remains on the air, offering faith-filled advice, hope, and laughter to her audience through rebroadcasts of her original homilies. Raymond Arroyo, through more than five years of exclusive interviews with Mother Angelica, traces her tortuous rise to success and exposes for the first time the fierce opposition she faced, both outside and inside her church.

My Ticket to Ride Janice Mitchell 2021-09-15 A true-adventure, coming-of-age tale set in the exhilarating first wave of Beatlemania ... It's 1964, and 16-year-old Janice is struggling in a grim foster home in Cleveland when she falls suddenly, deeply in love ... with the Beatles. They and their music stir in her an ecstatic new sense of freedom. With a friend, she hatches a bold plan to escape their dreary lives and run away to London to meet the Fab Four. On their own for the first time—in "Beatleland"—they explore a new city, a new culture, and a new life, visiting the hippest clubs of Soho, meeting some nice English boys, hitchhiking to Liverpool ... But unbeknownst to them, the runaways have become international news—and a hunt is on. Adventure and newfound

freedom end abruptly when Janice is apprehended by London police and hauled home to Cleveland and an unforgiving juvenile justice system. Warned by responsible adults to put it all behind her, she doesn't speak of her extraordinary adventure for more than fifty years. In this memoir, she looks back with fresh insight on the heady early days of Beatlemania and an era in America when young women exercising some control over their lives presented a serious threat to adult society.

Dominique nique nique

Mathias Olliver 2018-08-27

Vous souvenez-vous de cette chanson mondialement connue, sortie en 1962, Dominique (-nique-nique), chantée par Soeur Sourire? Cet ouvrage est sa biographie romancée, articulé autour de la métaphore d'un Saint Dominique «rock and roll'», aux cents visages et vengeur, qui poursuit l'héroïne afin de la précipiter dans le malheur. L'auteur ne trahit en rien le vécu de la religieuse, il dénonce la cupidité de ceux qui

l'ont lâchement persécutée. Il aurait cependant été impossible de respecter scrupuleusement la chronologie de certains faits. Afin de protéger leur anonymat, les noms de certains protagonistes, ont été changés. La plupart des dialogues sont de la libre interprétation de l'auteur, même si certains sont mot pour mot, ceux de l'héroïne. Soeur Sourire et Annie furent particulièrement présentes au milieu des enfants des paroisses et ne cessèrent jamais de vivre leur idéal de religieuses Missionnaires Dominicaines laïcs. Méprisées, spoliées, manipulées, broyées, suicidées, Soeur Sourire et Annie, ont souffert tous les drames. Pieuse, naïve, généreuse, frondeuse, humaine au-delà de tout, Soeur Sourire était tout amour. S'est-elle sacrifiée en vain? La presse, les radios et les télévisions du monde entier se sont passionné pour la vie, les oeuvres et les «frasques», de cette religieuse très médiatique. Alors qu'elle est au couvent, Soeur Sourire compose Dominique qui

devient un tube mondial. Tenue par son voeu de pauvreté le couvent en profite pour la dépouiller de tous ses droits. Suite à une crise d'identité, elle quitte les ordres et se met en ménage avec son amie Annie. Elle tente de refaire surface artistiquement, mais ses disques ne se vendent plus. Poursuivies par les paparazzis (à cause de leur relation lesbienne) et le fisc, elles trouvent encore l'énergie de s'occuper d'enfants autistes. Ruinées, désespérées, les deux amies finissent par se suicider, abandonnées de tous. Méritent-elles la sainteté? Il n'appartient pas à l'auteur de le dire, mais sans doute méritent-elles de ne pas tomber dans l'oubli. Cet ouvrage permettra peut-être de mettre en lumière l'action et le dévouement de ces grandes femmes...

*Music and Identity in Twenty-

Amanda J. Haste 2023-10-20
Twenty-first-century monastic

social environments in which
music plays an integral part.
This book examines the role of
music in Catholic,
Anglican/Episcopalian and neo-
monastic communities in
Britain and North America,
engaging closely with
communities of practice to
provide a penetrating insight
into the role of music in self-
care and as a vector for
identity construction on both
individual and community

essential role of music in
community dynamics, the
rationale for using instruments,
the implications of both chant-

The Sign for Home Blair Fell
2022-04-05 Longlisted for The Center for Fiction First Novel Prize When a young DeafBlind man learns the girl he thought was lost forever might still be out there, he embarks on a life-changing journey to find her—and his freedom. Arlo Dilly is young, handsome, and eager to meet the right girl. He also happens to be DeafBlind, a Jehovah’s Witness, and under the strict guardianship of his controlling uncle. His chances of finding someone to love seem slim to none. And yet, it happened once before: many years ago, at a boarding school for the Deaf, Arlo met the love of his life—a mysterious girl with onyx eyes and beautifully expressive hands which told him the most amazing stories.

But tragedy struck, and their love was lost forever. Or so Arlo thought. After years trying to heal his broken heart, Arlo is assigned a college writing assignment which unlocks buried memories of his past. Soon he wonders if the hearing people he was supposed to trust have been lying to him all along, and if his lost love might be found again. No longer willing to accept what others tell him, Arlo convinces a small band of misfit friends to set off on a journey to learn the truth. After all, who better to bring on this quest than his gay interpreter and wildly inappropriate Belgian best friend? Despite the many forces working against him, Arlo will stop at nothing to find the girl who got away and experience all of life’s joyful possibilities.

Nuns Behaving Badly Craig A. Monson 2010-11-15

hierarchy, repressed, and occasionally persecuted by their male superiors, these women circumvented authority in sometimes extraordinary ways. But tales of their transgressions have long been buried in the Vatican Secret Archive. That is, until now. In *Nuns Behaving Badly*, Craig A. Monson resurrects forgotten tales and restores to life the long-silent voices of these cloistered heroines. Here we meet nuns who dared speak out about physical assault and sexual impropriety (some real, some imagined). Others were only guilty of misjudgment or defacing valuable artwork that offended their sensibilities. But what unites the women and their stories is the challenges they faced: these were women trying to find their way within the Catholicism of their day and through the strict limits it imposed on them. Monson introduces us to women who were occasionally desperate to flee cloistered life, as when an entire community conspired to torch their convent and be set free. But more often, he shows

us nuns just trying to live their lives. When they were crossed—by powerful priests who claimed to know what was best for them—bad behavior could escalate from mere troublemaking to open confrontation. In resurrecting these long-forgotten tales and trials, Monson also draws attention to the predicament of modern religious women, whose “misbehavior”—seeking ordination as priests or refusing to give up their endowments to pay for priestly wrongdoing in their own archdioceses—continues even today. The nuns of early modern Italy, Monson shows, set the standard for religious transgression in their own age—and beyond.

Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings" liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a

Divas in the Convent Craig A.

Monson 2012-03-01 When eight-year-old Lucrezia Orsina Vizzana (1590-1662) entered one of the preeminent convents in Bologna in 1598, she had no idea what cloistered life had in store for her. Thanks to clandestine instruction from a local maestro di cappella—and despite the church hierarchy's vehement opposition to all convent music—Vizzana became the star of the convent, composing works so thoroughly modern and expressive that a recent critic described them as “historical treasures.” But at the very moment when Vizzana's works appeared in 1623—she would be the only Bolognese nun ever to publish

her music—extraordinary troubles beset her and her fellow nuns, as episcopal authorities arrived to investigate anonymous allegations of sisterly improprieties with male members of their order. Craig A. Monson retells the story of Vizzana and the nuns of Santa Cristina to elucidate the role that music played in the lives of these cloistered women. Gifted singers, instrumentalists, and composers, these nuns used music not only to forge links with the community beyond convent walls, but also to challenge and circumvent ecclesiastical authority. Monson explains how the sisters of Santa Cristina—refusing to accept what the church hierarchy called God's will and what the nuns perceived as a besmirching of their honor—fought back with words and music, and when these proved futile, with bricks, roof tiles, and stones. These women defied one Bolognese archbishop after another, cardinals in Rome, and even

the pope himself, until threats of excommunication and abandonment by their families brought them to their knees twenty-five years later. By then, Santa Cristina's imaginative but frail composer literally had been driven mad by the conflict. Monson's fascinating narrative relies heavily on the words of its various protagonists, on both sides of the cloister wall, who emerge vividly as imaginative, independent-minded, and not always sympathetic figures. In restoring the musically gifted Lucrezia Orsina Vizzana to history, Monson introduces readers to the full range of captivating characters who played their parts in seventeenth-century convent life.

The Rebel Nun Marj Charlier 2021-03-02 Marj Charlier's *The Rebel Nun* is based on the true story of Clotild, the daughter of a sixth-century king and his concubine, who leads a rebellion of nuns against the rising misogyny and patriarchy of the medieval church. At that time, women are afforded few choices in life: prostitution, motherhood, or the cloister. Only the latter offers them any kind of independence. By the end of the sixth century, even this is eroding as the church begins to eject women from the clergy and declares them too unclean to touch sacramental objects or even their priest-husbands. Craving the legitimacy thwarted by her bastard status, Clotild seeks to become the next abbess of the

female Monastery of the Holy Cross, the most famous of the women's cloisters of the early Middle Ages. When the bishop of Poitiers blocks her appointment and seeks to control the nunnery himself, Clotild masterminds an escape, leading a group of nuns on a dangerous pilgrimage to beg her royal relatives to intercede on their behalf. But the bishop refuses to back down, and a bloody battle ensues. Will Clotild and her sisters succeed with their quest, or will they face excommunication, possibly even death? In the only historical novel written about the incident, *The Rebel Nun* is a richly imagined story about a truly remarkable heroine.
