

The Situation Is Hopeless A Studio

This is likewise one of the factors by obtaining the soft documents of this **The Situation Is Hopeless A Studio** by online. You might not require more become old to spend to go to the ebook foundation as without difficulty as search for them. In some cases, you likewise reach not discover the proclamation The Situation Is Hopeless A Studio that you are looking for. It will certainly squander the time.

However below, subsequent to you visit this web page, it will be therefore totally easy to acquire as capably as download lead The Situation Is Hopeless A Studio

It will not recognize many grow old as we notify before. You can pull off it even if statute something else at house and even in your workplace. therefore easy! So, are you question? Just exercise just what we allow under as skillfully as evaluation **The Situation Is Hopeless A Studio** what you considering to read!

The Music Therapy Studio Rick Soshensky 2021-07-15 Rick Soshensky presents a groundbreaking introduction to music's power to heal and transform, weaving a collection of uplifting case studies from his music therapy practice with ideas from spiritual traditions, philosophies, psychological theorists, and music therapy researchers. Going beyond just theoretical and clinical information, *The Music Therapy Studio: Empowering the Soul's Truth* centers on the stories and experiences of people with disabilities—marginalized people for whom the world allows little time or place but whose extraordinary musical journeys teach us about the unseen depths and indomitability of the human spirit. Soshensky investigates core concepts of a music-centered approach—the experience of music as a creative art with clients that has intrinsic value and supersedes diagnostic labeling and behavioral goal setting. The result is unique and inspirational text that leads us towards a deeper understanding and appreciation of music therapy and music's spiritual benefits.

Island Music: The History Of AIR Studios Montserrat Brian Sallerson 2022-09-28 For 10 years, AIR Studios Montserrat produced many of the biggest hits that defined the 1980s. On September 17, 1989, it all ended in a flash of wind, rain, and fury. The AIR Studios Montserrat recording studio, owned by Sir George Martin (often referred to as the "Fifth Beatle"), operated from 1979 to 1989 on the small picturesque Caribbean island of Montserrat. Playing host to some of the biggest recording artists of the 1980s, this studio produced many of the hit songs integral to the musical fabric of that decade. The isolated tropical environment of the studio's location on Montserrat created a unique creative environment not found anywhere else in the world. To many of those who worked and recorded there, it is regarded as a very "special place", an experience that left an indelible imprint on their lives. Sadly, the storied history of AIR Studios Montserrat was suddenly cut short when the destructive forces of Hurricane Hugo battered the island in September of 1989. Over 30 years later, the remains of the studio lay in ruin as the island reclaims the land that was once creative fertile ground for artists such as The Police, Dire Straits, Paul McCartney, Duran Duran, and Elton John. The prolific musical output from AIR Studios Montserrat cemented its place in music history and world culture. The studio's sudden demise at the hands of Hurricane Hugo creates an emotional ending to an important artistic enclave that touched so many people around the world. The story of its creation, operation, and demise needs to be told so it can be appreciated by the millions of music fans whose lives were defined by the music recorded there.

Jurisdictional Disputes in the Motion-picture Industry United States. Congress. House. Committee on Education and Labor. Special Subcommittee to Investigate Jurisdictional Disputes in the Motion-Picture Industry 1948

After Capone Mars Eghigian 2006 Known as "the Enforcer" in the Capone Gang, Nitti has been glamorized in movies. This book gives a warts-and-all portrayal of the gangster.

The Garden Party and Other Stories - With Audio Level 5 Oxford Bookworms Library Katherine Mansfield 2014-09-22 A level 5 Oxford Bookworms Library graded reader. This version includes an audio book: listen to the story as you read. Retold for Learners of English by Rosalie Kerr. Oh, how delightful it is to fall in love for the first time! How exciting to go to your first dance when you are a girl of eighteen! But life can also be hard and cruel, if you are young and inexperienced and travelling alone across Europe . . . or if you are a child from the wrong social class . . . or a singer without work and the rent to be paid. Set in Europe and New Zealand, these nine stories by Katherine Mansfield dig deep beneath the appearances of life to show us the causes of human

happiness and despair.

Library Journal 1981

American Catholic Charles Morris 2011-08-24 "A cracking good story with a wonderful cast of rogues, ruffians and some remarkably holy and sensible people." --Los Angeles Times Book Review Before the potato famine ravaged Ireland in the 1840s, the Roman Catholic Church was barely a thread in the American cloth. Twenty years later, New York City was home to more Irish Catholics than Dublin. Today, the United States boasts some sixty million members of the Catholic Church, which has become one of this country's most influential cultural forces. In *American Catholic: The Saints and Sinners Who Built America's Most Powerful Church*, Charles R. Morris recounts the rich story of the rise of the Catholic Church in America, bringing to life the personalities that transformed an urban Irish subculture into a dominant presence nationwide. Here are the stories of rogues and ruffians, heroes and martyrs—from Dorothy Day, a convert from Greenwich Village Marxism who opened shelters for thousands, to Cardinal William O'Connell, who ran the Church in Boston from a Renaissance palazzo, complete with golf course. Morris also reveals the Church's continuing struggle to come to terms with secular, pluralist America and the theological, sexual, authority, and gender issues that keep tearing it apart. As comprehensive as it is provocative, *American Catholic* is a tour de force, a fascinating cultural history that will engage and inform both Catholics and non-Catholics alike. "The best one-volume history of the last hundred years of American Catholicism that it has ever been my pleasure to read. What's appealing in this remarkable book is its delicate sense of balance and its soundly grounded judgments." --Andrew Greeley

Between the Flags Bernard Harper Friedman 1990

Jessica Lange Anthony Uzarowski 2023-06-06 Brilliant, beautiful, driven, uncompromising, elusive, iconic—Jessica Lange is one of the most gifted and fascinating actors of her generation. From her rise to fame in Dino De Laurentiis's remake of *King Kong* (1976) and her Oscar-winning performances in *Tootsie* (1982) and *Blue Sky* (1994); to her Emmy-winning work in *Grey Gardens* (2009) and the *American Horror Story* series; and her Tony Award-winning turn in Eugene O'Neill's *Long Day's Journey into Night* (2016), Lange has had a long and illustrious career on-screen and onstage. She has worked with some of the most celebrated names in the business, including Jack Nicholson, Bob Fosse, Martin Scorsese, Kim Stanley, Halle Berry, and Kathy Bates. *Jessica Lange: An Adventurer's Heart*, the first full-length biography of Lange, presents a comprehensive study of the life and work of an exceptional actress. Beginning with her upbringing in Minnesota, author Anthony Uzarowski traces Lange's formative years as a restless soul who found solace in art and a life on the road before turning to acting. While critics initially questioned her talent, she refused to be dismissed as yet another pretty face. She continued to study her craft and immersed herself in her roles, honing the poignant and emotionally charged performances for which she is renowned. Lange was introduced to a whole new generation of fans with her acclaimed work in Ryan Murphy's anthology series, *American Horror Story*. Murphy later created another chance for Lange to shine with his television miniseries, *Feud: Bette and Joan*, costarring Susan Sarandon. This meticulously researched and wide-ranging biography also gives a glimpse into Lange's carefully guarded private life: her years as a free-spirited artist in the 1960s, her dedication to motherhood, and her legendary partnership with Sam Shepard, which was one of the most passionate, tumultuous, and secretive long-term relationships in Hollywood.

Max Ophuls in the Hollywood Studios Lutz Bacher 1996 Drawing on documents in many archives and on interviews with more than sixty of Ophuls' contemporaries, Bacher traces the European director's struggle

to find a niche in the U.S. film industry.

The Studio John Gregory Dunne 2012-04-18 In 1967, John Gregory Dunne asked for unlimited access to the inner workings of Twentieth Century Fox. Miraculously, he got it. For one year Dunne went everywhere there was to go and talked to everyone worth talking to within the studio. He tracked every step of the creation of pictures like "Dr. Dolittle," "Planet of the Apes," and "The Boston Strangler." The result is a work of reportage that, thirty years later, may still be our most minutely observed and therefore most uproariously funny portrait of the motion picture business. Whether he is recounting a showdown between Fox's studio head and two suave shark-like agents, watching a producer's girlfriend steal a silver plate from a restaurant, or shielding his eyes against the glare of a Hollywood premiere where the guests include a chimp in a white tie and tails, Dunne captures his subject in all its showmanship, savvy, vulgarity, and hype. Not since F. Scott Fitzgerald and Nathanael West has anyone done Hollywood better. "Reads as racily as a novel...(Dunne) has a novelist's ear for speech and eye for revealing detail...Anyone who has tiptoed along those corridors of power is bound to say that Dunne's impressionism rings true."--Los Angeles Times

From Hopeless to Hollywood Mario Bosco 2015-07-14 From the moment I arrived in this world, let's just say that things did not happen like they should have. The doctors discovered something was not right. Picture growing up with doctors, hospitals, IV tubes, medicines, injections, and the fear of it never changing. As a child, I had to process and understand what happened to me. Why can't I be a regular kid with a regular life? My life has always been a struggle...with school, friends, normalcy. I found out through a friend about The Cosby Show being locally taped and I wanted to know what it was all about. My curiosity got the better of me, and my world took a 180-degree turn when I met Bill Cosby, America's favorite TV dad, at an NBC studio in Brooklyn. Acting became my passion.

The Sundance Kid Lawrence J. Quirk 2006 Documents the career and contributions of the popular film actor and director, describing his breakout performance in "Butch Cassidy and the Sundance Kid," his activist role in support of endangered species conservation, and his relationships with Hollywood contemporaries.

Generic Histories of German Cinema Jaimey Fisher 2013 Offers a fresh approach to German film studies by tracing key genres -- including horror, the thriller, Heimat films, and war films -- over the course of German cinema history

The Hollywood Studios Ethan Mordden 2013-01-02 Hollywood in the years between 1929 and 1948 was a town of moviemaking empires. The great studios were estates of talent: sprawling, dense, diverse. It was the Golden Age of the Movies, and each studio made its distinctive contribution. But how did the studios, "growing up" in the same time and place, develop so differently? What combinations of talents and temperaments gave them their signature styles? These are the questions Ethan Mordden answers, with breezy erudition and irrepressible enthusiasm, in this fascinating and wonderfully readable book. Mordden illuminates how the style of each studio was primarily dictated by the personality, philosophy, and attitudes of its presiding mogul—and how all these factors affected the work and careers of individual actors, directors, writers, and technicians, and the success of the studio in general.

The House of the Schemers Fred M. White 2022-11-22 This is a mystery novel that revolves around House No. 13. The neighbors allude to the rustiness and neglect of No. 13. They all believed a gentleman called Colville resides at No. 13. But no one had ever been into the house. What is the mystery surrounding house No. 13?

Hearings United States. Congress. House 1947

Allan Dwan and the Rise and Decline of the Hollywood Studios Frederic Lombardi 2013-03-05 It could be said that the career of Canadian-born film director Allan Dwan (1885-1981) began at the dawn of the American motion picture industry. Originally a scriptwriter, Dwan became a director purely by accident. Even so, his creativity and problem-solving skills propelled him to the top of his profession. He achieved success with numerous silent film performers, most spectacularly with Douglas Fairbanks Sr. and Gloria Swanson, and later with such legendary stars as Shirley Temple and John Wayne. Though his star waned in the sound era, Dwan managed to survive through pluck and ingenuity. Considering himself better off without the fame he enjoyed during the silent era, he went on to do some of his best work for second-echelon studios (notably Republic Pictures' Sands of Iwo Jima) and such independent producers as Edward Small. Along the way, Dwan also found personal happiness in an unconventional manner. Rich in detail with two columns of text in

each of its nearly 400 pages, and with more than 150 photographs, this book presents a thorough examination of Allan Dwan and separates myth from truth in his life and films.

The True Joy of Positive Living Norman Vincent Peale 2015-09-29 The inspiring autobiography of the world-renowned minister and revered self-help giant whose positive thinking techniques have bettered the lives of millions of people In his 95 years, Norman Vincent Peale made a profound difference. The son of a minister in Lynchburg, Ohio, he went on to preach the Lord's word at Manhattan's now-famous Marble Collegiate Church, where he served as pastor for 52 years and oversaw the church's growth from 600 members to more than 5,000. He had a popular radio program for more than half a century, and appeared regularly on television. But perhaps his most lasting and powerful contribution was as author of the mega-bestseller *The Power of Positive Thinking*, the groundbreaking book that provided new guidance and hope and changed countless lives for generations throughout the world. *The True Joy of Positive Living* is the inspiring true story of a humble man who started out poor in a small Midwestern town and rose to become one of the most famous and influential American figures of the 20th century—a man of God who was awarded the Presidential Medal of Freedom, the country's highest civilian honor, by President Ronald Reagan in 1984. Together with this wife Ruth, Dr. Peale founded the Peale Center for Christian Living and *Guideposts* magazine to ensure that his messages of self-confidence and the power of faith would continue to guide millions around the world even after his death. In his own uplifting words, Dr. Peale shares the story of a remarkable life lived with dignity and purpose. This stirring chronicle of an extraordinary soul—his unwavering service to the Lord and his remarkable development of the principles of positivity that had a life-altering effect on so many—will be an inspiration to all who read it.

In the Studio Brian R. Jacobson 2020-07-21 Studios are, at once, material environments and symbolic forms, sites of artistic creation and physical labor, and nodes in networks of resource circulation. They are architectural places that generate virtual spaces—worlds built to build worlds. Yet, despite being icons of corporate identity, studios have faded into the background of critical discourse and into the margins of film and media history. In response, *In the Studio* demonstrates that when we foreground these worlds, we gain new insights into moving-image culture and the dynamics that quietly mark the worlds on our screens. Spanning the twentieth century and moving globally, this unique collection tells new stories about studio icons—Pinewood, Cinecittà, Churubusco, and CBS—as well as about the experimental workplaces of filmmakers and artists from Aleksandr Medvedkin to Charles and Ray Eames and Hollis Frampton.

Little Emperors and Material Girls Jemimah Steinfeld 2015-02-28 China is the world's fastest-growing economic powerhouse. Everybody knows this. But behind the headlines a once-in-a-generation sexual and cultural revolution is taking place - all in the bars, cafes and streets of China's growing mega-cities. Welcome to this new China. Writer and journalist Jemimah Steinfeld meets the young people behind the world's fastest-moving nation to unveil their attitudes towards love, life and sexuality. Young Chinese have new words to describe the world they live in: 'little emperors' - single men who have grown up under the one child policy - they're bossy and selfish; 'bare branches' - those without children; 'leftovers' - women over twenty-six who aren't married; 'comrade' - how the gay community identifies itself; 'love markets' - weekend gatherings across China where parents attempt to find husbands and wives for their children, and others show up to match-make young singles and even offer boyfriends for hire. Jemimah Steinfeld introduces the people at the heart of this world, from the woman starting China's first online dating agency to the mistresses of the rich and powerful; from the company trying to sell sex toys to China's middle-classes to the sino-punks of Beijing's bar scene. *Little Emperors and Material Girls* is the book which will change the way you see China. Delphi Collected Works of Fred M. White (Illustrated) Fred M. White 2019-09-10 A British pulp fiction author of the late nineteenth and early twentieth century, Frederick M. White produced a prolific number of novels and short stories, including the cult classic 'Doom of London' science-fiction stories. Helping to shape the course of sensation and mystery story literature, White was also a pioneer of the spy story. His ingenious creativity in producing hundreds of original and thrilling narratives of crime, war, mystery, romance and science fiction was a rare and sadly neglected talent of the interwar period. This comprehensive

eBook presents White's collected works, with numerous illustrations, rare texts appearing in digital print for the first time, informative introductions and the usual Delphi bonus material. (Version 1) * Beautifully illustrated with images relating to White's life and works * Concise introductions to the famous novels * 84 novels, with individual contents tables * Features rare novels appearing for the first time in digital publishing, including 'Love, the Foe', 'Robe of Lucifer', 'Paul the Sage' and many more * Images of how the books were first published, giving your eReader a taste of the original texts * Excellent formatting of the texts * Famous works, including the 'Doom of London' series, are fully illustrated with their original artwork * Rare story collections available in no other collection, including 'The Last of the Borgias' and 'The Sage of Tyburn' series * Special chronological and alphabetical contents tables for the short stories * Easily locate the short stories you want to read * Over 250 short stories — endless hours of classic pulp fiction Please visit www.delphiclassics.com to browse through our range of exciting titles

The Virtues of the Vicious Keith Gandal 1997-10-23 In this compelling work, Keith Gandal reveals how the slum in nineteenth-century America, long a topic for sober moral analysis, became in the 1890s an unprecedented source of spectacle, captured in novels, newspapers, documentary accounts, and photographs. Reflecting a change in the middle-class vision of the poor, the slum no longer drew attention simply as a problem of social conditions and vice but emerged as a subject for aesthetic, ethnographic, and psychological description. From this period dates the fascination with the "colorful" alternative customs and ethics of slum residents, and an emphasis on nurturing their self-esteem. Middle-class portrayals of slum life as "strange and dangerous" formed part of a broad turn-of-the-century quest for masculinity, Gandal argues, a response to a sentimental Victorian respectability perceived as stifling. These changes in middle-class styles for representing the urban poor signalled a transformation in middle-class ethics and a reconception of subjectivity. Developing a broad cultural context for the 1890s interest in the poor, Gandal also offers close, groundbreaking analysis of two of the period's crucial texts. Looking at Jacob Riis's *How the Other Half Lives* (1890), Gandal documents how Riis's use of ethnographic and

psychological details challenged traditional moralist accounts and helped to invent a spectacular style of documentation that still frames our approach as well as our solutions to urban problems. Stephen Crane's *Maggie: A Girl of the Streets* (1893) pushed ethnographic and psychological analysis even farther, representing a human interiority centered around self-image as opposed to character and exploring not only different customs but a radically different ethics in New York's Bowery--what we would call today a "culture of poverty." Gandal meanwhile demonstrates how both Riis's innovative "touristic" approach and Crane's "bohemianism" bespeak a romanticization of slum life and an emerging middle-class unease with its own values and virility. With framing discussion that relates slum representations of the 1890s to those of today, and featuring a new account of the Progressive Era response to slum life, *The Virtues of the Vicious* makes fresh, provocative reading for Americanists and those interested in the 1890s, issues of urban representation and reform, and the history of New York City.

Hopeless Eva Welle 2020-12

Authentic Power Ashley Bernardi 2021-12-21 "This book has the power to heal the world one person at a time." - Lorilee Binstock, host of A Trauma Survivor's Podcast and founder of Authentic Insider Magazine

WHAT IF YOU ALLOWED YOURSELF TO TRULY FEEL? Whether it's grief, despair, or anxiety, society will always find a way to label feelings as "messy." But burying these reactions only leads to greater emotional turmoil. In the past, we have looked to self-help gurus like Gary Zukav, whose *Seat of the Soul* inspired Oprah Winfrey to help America process trauma. So why did that book resonate with her, and what does everyone still love about Oprah? It's not that she's rich or that she's successful...it's her authenticity. She taps into what she has described in her *SuperSoul Sundays* as *Authentic Power*: uniting all the pieces of herself so that she's always bringing her whole self to everything she does. Oprah didn't ignore her messy feelings: she shared them with America, and she processed and integrated them in order to tap into her own authentic power. She became her authentic self, which exudes from her in every second that you see her. In *Authentic Power: Give Yourself Permission to Feel*, accomplished entrepreneur, journalist, publicist, and award-winning podcaster Ashley Bernardi continues the brave work of these great thought leaders by teaching you that your darkest hours are disguised opportunities to uncover and process, feel, heal, and grow. Bernardi's personal journey began when she witnessed her father's sudden death at age eleven. Years later, a mysterious illness began a personal quest toward healing and taught her that trauma and adversity can be sources of strength and self-discovery. Through daily affirmations and writing prompts, you will discover Ashley Bernardi's F.E.E.L. Framework: Focus Enter Experience Learn You will explore chapters such as: Embrace the Waves of Emotions Lift the Emotional Fog Make Space for the Brave Conversations The F.E.E.L. Framework Balanced Body, Balanced Heart Discover Your Deeper, Powerful, Self Exercise Your Empathy As the founder of a national media relations and publicity firm, Ashley has the privilege of access to many of the world's leading experts in health and wellness who offered healing and hope with her personal challenges—a rich collection of top doctors, neurologists, psychologists, nutritionists, coaches, spiritualists, and others. She shares their profound wisdom so that you can build hope during your times of struggle. Bernardi searched for true healing and growth for more than twenty years; *Authentic Power* equips you with the tools to ignite your own journey now. "Through daily affirmations, exercises, and journaling prompts...Bernardi walks readers through her FEEL framework—focus, enter, experience, and learn—to help them find a way forward after experiencing trauma." —Publishers Weekly "Ashley Bernardi completely reveals herself and therefore all of us with a compendium of powerful words, wisdom and practices to put into place immediately." —Dana Look-Arimoto, host of *Settle Smarter* Podcast and author of *Stop Settling, Settle Smart*

Daily Life in the Soviet Union Katherine Eaton 2004-08-30 Details what ordinary life was like during the extraordinary years of the reign of Soviet Union. Thirty-six illustrations, thematic chapters, a glossary, timeline, annotated multimedia bibliography, and detailed index make it a sound starting point for looking at this powerful nation's immediate past. What was ordinary life like in the Soviet police state? The phrase daily life implies an orderly routine in a stable environment. However, many millions of Soviet citizens experienced repeated upheavals in their everyday lives. Soviet citizens were forced to endure revolution, civil war, two World Wars, forced collectivization, famine, massive deportations, mass terror campaigns perpetrated against them by their own leaders, and chronic material deprivations. Even the perpetrators

often became victims. Many millions, of all ages, nationalities, and walks of life, did not survive these experiences. At the same time, millions managed to live tranquilly, work in factories, farm the fields, serve in the military, and even find joy in their existence. Structured topically, this volume begins with an historical introduction to the Soviet period (1917-1991) and a timeline. Chapters that follow are devoted to such core topics as: government and law, the economy, the military, rural life, education, health care, housing, ethnic groups, religion, the media, leisure, popular culture, and the arts. The volume also has two maps, including a map of ethnic groups and languages, and over thirty photographs of people going about their lives in good times and bad. A glossary, a list of student-friendly books and multimedia sources for classroom and/or individual use, and an index round out the work, making it a valuable resource for high school as well as undergraduate courses on modern Russian and Soviet history. Copious chapter endnotes provide numerous starting points for students and teachers who want to delve more deeply.

The Technique of Portrait Painting Harrington Mann 1948

A Hitchcock Reader Marshall Deutelbaum 1986 "Alfred Hitchcock, the "Master of Suspense", has been internationally recognized as a technical and stylistic innovator in the history of cinema. A Hitchcock Reader grows out of the editors' desire as classroom teachers for a comprehensive anthology that can be used as a critical text in introductory or advanced courses devoted to the director's films. On another level, the book provides Hitchcock scholars with an updated anthology representing the rich variety of critical response his films have evoked over the years...Hitchcock scholars, students of film criticism and theory, and film devotees, as well as anyone fascinated with the Hitchcock legacy, will find A Hitchcock Reader a provocative and stimulating anthology on the "Master of Suspense" --Back cover.

American Cinematographer 1987

Additional Dialogue; Letters of Dalton Trumbo, 1942-1962 Dalton Trumbo 1970

The Western Humanities Review 1983

Robert Redford and American Cinema Michael Allen 2021-03-25 Michael Allen's insightful study explores the long and diverse career of the actor and director Robert Redford, from his early work in theatre and TV to his contemporary status as an iconic and enduring star. Allen assesses Redford's importance to the American film industry during a period of great transformation: as an influential industry player, an award-winning director and a committed political activist. Allen considers Redford's individual achievements in the context of shifts and changes in the industry as a whole: some of which benefited Redford's own progress and development; some which he engineered himself, as well as discussing Redford's star persona in relation to ageing and masculinity.

Lean on Me Serge Joncour 2022-03-01 From prize-winning author Serge Joncour, *Lean on Me* is an unconventional love story of two Parisian neighbours who find human connection among the isolation of the city. 'A terrific love story' Livres Hebdo When a flock of crows invades their apartment block, Parisian neighbours Aurore and Ludovic speak for the first time. Outwardly the fashion designer and debt collector share little in common, but they both lead isolated lives, she in a loveless marriage, he recently widowed and new to Paris. There is an immediate spark between them, and when Aurore is threatened by her business partner it is Ludovic she turns to for help. As events begin to spiral out of control, they begin a passionate affair... Winner of the prestigious Prix Interallié, *Lean on Me* is both a touching love story, an insightful look at the alienating effect of contemporary urban life.

Summer Camp Stalk Wendigo Studios 2022-11-11 Camp Arawak was once the largest summer camp in Nibiru Now it's closed, just a distant memory for everybody living, including nine special teenagers Only they know the truth About what happened See the action The friendship The romance The betrayal And the adventure of the Camp's unlikely heroes.

"Bare Knees" Flapper Tim Lussier 2018-10-17 One of the most popular Hollywood child stars of the late 1910s, Virginia Lee Corbin was well known to fans worldwide. With her mother as her manager, Corbin retained her popularity as she grew older. She performed in vaudeville for a couple of years before continuing her film career. Corbin fit well into the flapper mold of the Jazz Age and appeared in many films throughout the 1920s. As she matured, her mother found it ever more difficult to control her. Corbin led a difficult life. After her mother's suicide attempt, she found that all the money she had earned was gone. Her marriage (at age 18) failed and she was eventually separated from her children. The flapper struggled to remain relevant in the sound era

and was trying to make a comeback when she died at 31 in 1942.

The Husband's Story David Graham Phillips 2022-08-21 "The Husband's Story" by David Graham Phillips. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre.
