**Revenge** Stephen Fry 2003-05-13 A distinct departure from his popular comic novels, this haunting, provocative tale of wrongful imprisonment and violent retribution is Stephen Fry's first thriller. A brilliant recasting of the classic story *The Count of Monte Cristo*, *Revenge* crackles with the wit and intelligence

readers have come to expect from this hugely talented author, actor, and comedian, yet it reveals an intriguingly deep, much darker side of his imagination. Ned Maddstone is a happy, charismatic Oxford-bound seventeen-year-old whose rosy future is virtually preordained. Handsome, confident, and talented, newly in love with bright, beautiful Portia, his father an

influential MP, Ned enjoys an existence of boundless opportunity. But privilege makes him an easy target for envy, and in the course of one day Ned's charmed life is changed forever. A promise made to a dying teacher combined with a prank devised by a jealous classmate mutates bewilderingly into a case of mistaken arrest and incarceration. Drugged and disoriented, Ned finds himself a political prisoner in a nightmarish, harrowing exile, far from home and lost to those he loves. Years pass before an apparently mad, obviously brilliant fellow inmate reawakens the younger man's intellect and resurrects his will to live. The chilling consequences of Ned's recovery are felt worldwide. While *Revenge* breaks new ground with its taut plotting, exhilarating pace, and underlying air of menace, its sophistication and irreverent humor are vintage Fry—a gloriously rich mix that only he could deliver. His first novel in four years is a dramatic, powerful tour de force that is sure to enlarge the American

audience for this singularly talented author's work.

2007-05 Early morning tennis always makes me feel like a winner, especially outside in invigorating breezes of fresh air and sunshine. Then, there's tennis under lights! Yes! A friendly game of strategic, athletic, competitive tennis under the beauty of a sunset, is an awesome experience. It's fun, relaxing, and good for the soul. You can leave with your racket in one hand, and tennis balls in the other, feeling as if you won the Tennis U.S. Open. Bored with her routine workouts, author Diane M. Griffin wanted a different way to exercise-one that would challenge her. But more importantly, she wanted a workout she could enjoy. Fate intervenes one day when she rides her bike past a tennis court and a handsome man emerges. Immediately attracted to him, Griffin soon discovers that she better learn the game of tennis if she wants to spend time with him. Each

time they meet on the court, Griffin falls a little more in love with this striking man-and with the game of tennis. One Day, I Found Tennis expresses Griffin's personal love affair with tennis. Incorporating poetry, facts about tennis legends, the origin of the sport, and a glossary of tennis terms, Griffin will compel you to pick up a racket and hit the court!

**Sudden Death** Álvaro Enrígue 2016-02-09

"Splendid" —New York Times "Mind-bending."

—Wall Street Journal "Brilliantly original. The best new novel I've read this year." —Salman Rushdie A daring, kaleidoscopic novel about the clash of empires and ideas, told through a tennis match in the sixteenth century between the radical Italian artist Caravaggio and the Spanish poet Francisco de Quevedo, played with a ball

made from the hair of the beheaded Anne Boleyn. The poet and the artist battle it out in Rome before a crowd that includes Galileo, a Mary Magdalene, and a generation of popes who would throw the world into flames. In England, Thomas Cromwell and Henry VIII execute Anne Boleyn, and her crafty executioner transforms her legendary locks into those most-sought-after tennis balls. Across the ocean in Mexico, the last Aztec emperors play their own games, as the conquistador Hernán Cortés and his Mayan translator and lover, La Malinche, scheme and conquer, fight and f\*\*k, not knowing that their domestic comedy will change the course of history. In a remote Mexican colony a bishop reads Thomas More's Utopia and thinks that it's a manual instead of a parody. And in today's New York City, a man searches for answers to impossible questions, for a book that is both an archive and an oracle. Álvaro Enrigue's mind-bending story features assassinations and executions, hallucinogenic mushrooms, bawdy

criminals, carnal liaisons and papal schemes, artistic and religious revolutions, love and war. A blazingly original voice and a postmodern visionary, Enrigue tells the grand adventure of the dawn of the modern era, breaking down traditions and upending expectations, in this bold, powerful gut-punch of a novel. Game, set, match. "Sudden Death is the best kind of puzzle, its elements so esoteric and wildly funny that readers will race through the book, wondering how Álvaro Enrigue will be able to pull a novel out of such an astonishing ball of string. But Enrigue absolutely does; and with brilliance and clarity and emotional warmth all the more powerful for its surreptitiousness." —Lauren Groff, New York Times bestselling author of Fates and Furies "Engrossing... rich with Latin and European history." —The New Yorker "[A] bawdy, often profane, sprawling, ambitious book that is as engaging as it is challenging." —Vogue

*Fifty Tennis Balls in the Los Angeles River* Joel

Parham 2015-07-18 On July 18, 2015 I was walking along the Los Angeles River in the Atwater Village area of Los Angeles. The weather was stormy - lightning, thunder, rain. As I walked along the river I began to notice an increasing number of tennis balls that were floating down the river. I thought it would be an interesting experiment to document a number of tennis balls that floated by while I was walking. The following are images of fifty tennis balls in the Los Angeles River from that day. Joel Parham July 2015

**Throwing Hurt (The Boy with the Tennis Balls)** Roxanne Hobbs 2023-06-23 Sometimes when hard things happen, and we feel hurt, we find ourselves holding on to that hurt and then throwing it at other people. My family thinks of this hurt as tennis balls that attach themselves to us during our day. Then, in the evening, and with the people we love the most, we often get rid of these tennis balls by throwing them at our family. Obviously, we don't want to do this. We don't want to hurt our families. It's just that it sometimes feels like we can't carry these tennis balls (our hurt) anymore. There is another way. When we can recognise that we are hurt (or carrying too many tennis balls), we can talk about how we feel and think of other ways to remove these tennis balls without hurting others.
