Original Script of Walt Disney's Ten Who Dared Presented to State Historical Society of Colorado by Walt Disney, October 18, 1960 Lawrence Edward Watkin 1959 Original shooting script of the 1960 film as presented by Walt Disney to Maurice Frink of the Colorado Historical Society. The true story of an expedition down the Colorado River from Green River City, Wyoming, 1869.

The Boy Who Dared Susan Campbell Bartoletti 2017-05-30 A Newbery Honor Book author has written a powerful and gripping novel about a youth in Nazi Germany who tells the truth about Hitler. Susan Campbell Bartoletti has taken one episode from her Newbery Honor Book, Hitler Youth, and fleshed it out into thought-provoking novel. When 16-year-old Helmut Hubner listens to the BBC news on an illegal short-wave radio, he quickly discovers Germany is lying to the people. But when he tries to expose the truth with leaflets, he's tried for treason. Sentenced to death and waiting in a jail cell, Helmut's story emerges in a series of flashbacks that show his growth from a naive child caught up in the patriotism of the times, to a sensitive and mature young man who thinks for himself.

The Woman Who Dared to Dare William Coles 2014-06-30 Kim is a young trainee reporter in the Cotswolds. He has the luck to be swimming every morning with the astonishingly beautiful Sasha. Men go crazy for her. Kim dreams up a plan to win her heart: for a full year, he'll pretend he's not even interested. Then Kim eventually does the unbelievable. He wins Sasha round. She is everything he's ever wanted - fun and beautiful and supremely sexy. But can something this good ever last for long?

Dare to Lead Brené Brown 2018-10-09 #1 NEW YORK TIMES BESTSELLER • Brené Brown has taught us what it means to dare greatly, rise strong, and brave the wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she's showing us how to put those ideas into practice so we can step up and lead. Don't miss the five-part HBO Max docuseries Brené Brown: Atlas of the Heart! NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and

how do you embed the value of courage in your culture? In this new book, Brown uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, "One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It's learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It's why we're here." Whether you've read Daring Greatly and Rising Strong or you're new to Brené Brown's work, this book is for anyone who wants to step up and into brave leadership.

Bethany Hamilton (She Dared) Jenni L. Walsh 2019-01-01 Meet Bethany. Get inspired. Growing up in Hawaii, Bethany Hamilton loved to surf. But one day, she was in her favorite place, out on the waves, when a tiger shark suddenly attacked. Thirteen-year-old Bethany lost her left arm. As she fought to recover, Bethany wondered: Would she ever surf again? Follow Bethany as she got back on her board and fearlessly chased her surfing dreams. With the strength of her family and faith behind her, Bethany knew she could become not only a professional athlete, but a champion and a role model. This highly accessible and narrative biography includes full-color photos and educational info!

Do I Dare Disturb the Universe? Madeleine L'Engle 2012-05-08 "Do I Dare Disturb the Universe?" is Madeleine L'Engle's spirited defense of the responsibility of children's literature to confront difficult questions, as she did in all her work, particularly her masterpiece *A Wrinkle in Time*. This e-book contains the text of her famous speech as well as her introduction to the twenty-fifth anniversary of *A Wrinkle in Time* and a facsimile of a chapter from the original manuscript with Madeleine's notations.

She Who Dares Lyndsy Spence 2019-05-13 "Oh dear," said Evelyn Waugh of his society friends, "these great ladies." In this book of pen portraits, the reader is introduced to 10 extraordinary women who were society stars in the interwar years, and is offered a fresh perspective on key historical events, such as the abdication, the rise of fascism, and the position of these ladies in society through the years. From the Churchills to the Mitfords, British and European Royals, to international playboys and film stars, these ladies knew everyone. And everyone knew them, for better or worse.

Ten who Dared Desmond Wilcox 1977 Discusses the journeys and discoveries of ten explorers, including Columbus, Pizarro, Amundsen, Stanley, Kingsley, von Humboldt, and Cook.

When Eagles Dared Howard Hughes 2012-01-30 *When Eagles Dared* is a salute to the men and women who participated in World War II and the filmmakers who have immortalised their stories on screen. It tells both the story of the historical events of this first truly 'world war' and of the films that have depicted these events - comparing the cinematic myth with the historical reality - as a guide to history through cinema. *When Eagles Dared* portrays the people who participated in the war, from the evacuation of the Allied forces from France at Dunkirk through to the battle for Berlin and beyond. Each chapter discusses a

theatre of war, an event, a campaign or battle by explaining the historical events as they unfold and then examines how filmmakers have represented them. Chapters discuss the war in the skies (Battle of Britain and The Dam Busters), the sea (Sink the Bismarck! and The Cruel Sea) and the North African desert (The Battle of El Alamein and Tobruk). There are 'special mission' movies including Where Eagles Dare and The Dirty Dozen, classic tales of ingenuity (The Great Escape), valour (Saving Private Ryan), and human endurance (The Bridge on the River Kwai). Offering a unique view of war through the lenses of over 150 diverse films that have shaped our perceptions of the conflict, *When Eagles Dared* is illustrated with rare stills and posters from this ever popular genre.

Learning from Mickey, Donald and Walt A. Bowdoin Van Riper 2014-01-10 Throughout its long and colorful history, Walt Disney Studios has produced scores of films designed to educate moviegoers as well as entertain them. These productions range from the True-Life Adventures nature documentaries and such depictions of cutting-edge technology as *Man in Space* and *Our Friend the Atom*, to wartime propaganda shorts (*Education for Death*), public-health films (*VD Attack Plan*) and coverage of exotic cultures (*The Ama Girls*, *Blue Men of Morocco*). Even Disney's dramatic recreations of historical events (*Ten Who Dared*, *Invincible*) have had their share of educational value. Each of the essays in this volume focuses on a different type of Disney "edutainment" film. Together they provide the first comprehensive look at Walt Disney's ongoing mission to inform and enlighten his worldwide audience.

The American Racing Pigeon News 1988

Six Who Dared Richard Harding Davis 2007-11 SIX WHO DARED outlines the lives of six of the most daring, most outrageous, most endearing soldiers of fortune in history. William Walker: If comfortable careers in law, medicine and the church bore you, perhaps you should consider invading various countries with a handful of men until you can eventually become president of one? Ronald Douglas: Born into wealth, married into even more, Douglas died broke-and as a hero in eighteen countries. James Hardin-Hickey: When you come across an uninhabited island in the Atlantic, why not declare it a kingdom and yourself as it's king-at least until England decides she wants the place. Winston Churchill: What better way for a young man to see action than to become a war correspondent, serve in numerous campaigns, get captured, and stage one of the most daring escapes in history? Philo McGiffin: When you graduate near the bottom of your class at the U.S. Naval Academy and your own country won't even give you a commission, what else is there to do but command a squadron of Chinese battleships and become commandant of their naval academy? Frederick Burnham: Just your basic story of how a city boy from Pasadena, CA grows up to be the finest scout in Africa, and have more hair-raising adventures than Indiana Jones. "A powerful and original writer." Theodore Roosevelt

Disney A to Z Dave Smith 1996 Includes full descriptions of all Donald Duck, Mickey Mouse, Pluto, and Goofy cartoons; the story of Mickey's birth; the Disney Channel Premiere films and Disney television shows; the Disney parks; Disney Academy Awards and Emmy Awards; the Mouseketeers throughout the years; and details of Disney company personnel and primary actors.

Multiculturalism and the Mouse Douglas Brode 2009-01-27 In his latest iconoclastic work, Douglas Brode—the only academic author/scholar who dares to defend Disney entertainment—argues that "Uncle Walt's" output of films, television shows, theme parks, and spin-off items promoted diversity decades before

such a concept gained popular currency in the 1990s. Fully understood, *It's a Small World*—one of the most popular attractions at the Disney theme parks—encapsulates Disney's prophetic vision of an appealingly varied world, each race respecting the uniqueness of all the others while simultaneously celebrating a common human core. In this pioneering volume, Brode makes a compelling case that Disney's consistently positive presentation of "difference"—whether it be race, gender, sexual orientation, ideology, or spirituality—provided the key paradigm for an eventual emergence of multiculturalism in our society. Using examples from dozens of films and TV programs, Brode demonstrates that Disney entertainment has consistently portrayed Native Americans, African Americans, women, gays, individual acceptance of one's sexual orientation, and alternatives to Judeo-Christian religious values in a highly positive light. Assuming a contrarian stance, Brode refutes the overwhelming body of "serious" criticism that dismisses Disney entertainment as racist and sexist. Instead, he reveals through close textual analysis how Disney introduced audiences to such politically correct principles as mainstream feminism. In so doing, Brode challenges the popular perception of Disney fare as a bland diet of programming that people around the world either uncritically deem acceptable for their children or angrily revile as reactionary pabulum for the masses. Providing a long overdue and thoroughly detailed alternative, Brode makes a highly convincing argument that with an unwavering commitment to racial diversity and sexual difference, coupled with a vast global popularity, Disney entertainment enabled those successive generations of impressionable youth who experienced it to create today's aura of multiculturalism and our politically correct value system.

They Thought for Themselves Sid Roth 2009-07-28 What is the connection among these people? How did they end up in the same book? Athiest, Holocaust survivor, multi-millionaire, Media Executive, PhD. They all defied the status quo and thought for themselves. They dared to explore and confront the forbidden. The result? Everything in their lives changes for the better! Author Sid Roth was instructed in a dream to find and interview people who had broken through the mold of their previous experiences to achieve their destiny. These are the people he interviewed. These are their stories and this is your time for your breakthrough! Everyone has a supernatural destiny, but few reach it. Too many want the safe and comfortable life of following the same old roads or fitting in with the same old crowd. How boring! Have you ever wondered if there is something more to life? Have you dared to reach beyond your comfort zone? Only when you dare to think for yourself, will you reach your supernatural destiny. Start today!

The Woman Who Dared Touch Jesus Ginger Tsang 2008-12-02 This is the amazing, fictional story of the life of the woman who touched Jesus' cloak and was healed. Where the Biblical Gospels of Luke, Mark and Matthew mention her miracle in passing, we follow the character, Elishva from her childhood in a loving family to a young marriage and long travel, settling in Capernaum. After nursing her own husband from wounds incited by a Jewish riot, she herself becomes a victim of marital abuse. Despite her many prayers, her heart's desire of having a child is unanswered. Isolated and far from all who love her, Elishva falls severely ill and begins a dark, hopeless existence as one of the "unclean". Finally, with a nudging from an Essene priest, Elishva, now desperate for her life and marriage, ventures out of her home prison to reclaim her life through the miracle of touching Jesus. Deeply engaging, *The Woman Who Dared Touch Jesus* combines artful storytelling and a startling close look at Jewish life in the time of Jesus.

Slaves who Dared Mary Garrison 2002 Describes the lives and times of outstanding African Americans who were born as slaves and went on to accomplish great things: Josiah Henson, Frederick Douglas, William and Ellen Craft, Harriet Ann Jacobs, Henry Bibb, Booker T. Washington, Susie King Taylor, Nat Love, Robert Smalls, and Sojourner Truth.

Bibliographic Guide to Theatre Arts New York Public Library. Research Libraries 1978

From Walt to Woodstock Douglas Brode 2004-06 With his thumbprint on the most ubiquitous films of childhood, Walt Disney is widely considered to be the most conventional of all major American moviemakers. The adjective "Disneyfied" has become shorthand for a creative work that has abandoned any controversial or substantial content to find commercial success. But does Disney deserve that reputation? Douglas Brode overturns the idea of Disney as a middlebrow filmmaker by detailing how Disney movies played a key role in transforming children of the Eisenhower era into the radical youth of the Age of Aquarius. Using close readings of Disney projects, Brode shows that Disney's films were frequently ahead of their time thematically. Long before the cultural tumult of the sixties, Disney films preached pacifism, introduced a generation to the notion of feminism, offered the screen's first drug-trip imagery, encouraged young people to become runaways, insisted on the need for integration, advanced the notion of a sexual revolution, created the concept of multiculturalism, called for a return to nature, nourished the cult of the righteous outlaw, justified violent radicalism in defense of individual rights, argued in favor of communal living, and encouraged antiauthoritarian attitudes. Brode argues that Disney, more than any other influence in popular culture, should be considered the primary creator of the sixties counterculture—a reality that couldn't be further from his "conventional" reputation.
