Your Mouth to God's Ear Sarah Jean Davidson 2011-11-30 Back Cover
Sarah Jean's Photo What makes prayer work? Why do some prayers get through and other prayers, just as deserving, come to nothing? Does this mean that God loves one soul more than the other? No, of course not. God loves all of us equally. The author has spent many years teaching higher spiritual concepts as a minister and on her teaching website, www.AHigherOctave.com. She has been blessed with spiritual gifts that give her a special attunement with the divine realms; this attunement has produced enlightened insights. She combines her own experiences with scientific discoveries that cast a new light on communication with the heavenly realms; this has led her to new success in prayer and in healing. Perhaps you are afraid of offending your Creator by learning newer ways of contacting the divine realms. Don't be; He wants what is best for His children. In this book Sarah Jean shows you how every generation builds upon the spiritual foundation of the generation before it. This is God's way of showing souls higher octaves of enlightenment. You will learn arcane secrets of the universe, previously known only to mystics, that will help you to succeed in receiving what you ask God for, and certain cosmic laws that may hold you back. The personal pages in each lesson help you to identify your problem areas and open the door to new understanding. The unique quality of this book is that Sarah Jean

takes known spiritual concepts and new discoveries to a higher level; then she explains step by step how they work with nothing left out.
How Dante Can Save Your Life Rod Dreher 2015-04-14 The opening lines of *The Divine Comedy* by Dante Alighieri launched Rod Dreher on a journey that rescued him from exile and saved his life. Dreher found that the medieval poem offered him a surprisingly practical way of solving modern problems. Following the death of his little sister and the publication of his New York Times bestselling memoir *The Little Way of Ruthie Leming*, Dreher found himself living in the small community of Starhill, Louisiana where he grew up. But instead of the fellowship he hoped to find, he discovered that fault lines within his family had deepened. Dreher spiraled into depression and a stress-related autoimmune disease. Doctors told Dreher that if he didn't find inner peace, he would destroy his health. Soon after, he came across *The Divine Comedy* in a bookstore and was enchanted by its first lines, which seemed to describe his own condition. In the months that followed, Dante helped Dreher understand the mistakes and mistaken beliefs that had torn him down and showed him that he had the power to change his life. Dreher knows firsthand the solace and strength that can be found in Dante's great work, and distills its wisdom for those who are lost in the dark wood of depression, struggling with failure (or success), wrestling with a crisis of faith, alienated from their families or communities, or

otherwise enduring the sense of exile that is the human condition. Inspiring, revelatory, and packed with penetrating spiritual, moral, and psychological insights, *How Dante Can Save Your Life* is a book for people, both religious and secular, who find themselves searching for meaning and healing. Dante told his patron that he wrote his poem to bring readers from misery to happiness. It worked for Rod Dreher. Dante saved Rod Dreher's life—and in this book, Dreher shows you how Dante can save yours.

The Solomon Secret Bruce Fleet 2009-09-03 Using Solomon's life and teachings as a foundation, Bruce Fleet offers today's readers a unique, well-grounded, proven method of wise investing. Solomon was more than just a character in the Bible—he was the richest man who ever lived. If we could learn from him directly, what would he teach us about growth in riches and knowledge? And how can we relate his life and wisdom to the society and successful financial planning of our contemporary world? Bruce Fleet's *The Solomon Secret* brings together instructional parables highlighting the wisdom of history's wealthiest man, with practical and sound financial advice for twenty-first-century readers. In the bestselling tradition of *The Richest Man in Babylon*, *The Solomon Secret* follows King Solomon as he mentors his young protégé, Abidan, on the seven basic principles of life and their influence on financial success. Each of these parables illustrates a key principle that Abidan must discover before he can garner more wealth and happiness, and is then followed by Fleet's masterful application of these principles to the reader's life and to the most urgent and essential financial questions of our time. Fleet, a successful financial adviser and owner of a large investment firm, draws from the time-honored and historically proven wisdom of the life of the ancient king to offer—through the siphon of his own talent and perspective—the very best in financial strategies for today's challenging economic climate. An accessible and effective mix of teaching stories with powerful financial lessons, *The Solomon Secret* is a highly readable,

informative guide to becoming wealthy and wise.

Thou Shall Prosper Rabbi Daniel Lapin 2009-10-26 A practical approach to creating wealth-based on the established principles of ancient Jewish wisdom-made accessible to people of all backgrounds The ups and downs of the economy prove Rabbi Daniel Lapin's famous principle that the more things change, the more we need to depend upon the things that never change. There's no better source for both practical and spiritual financial wisdom than the time-tested knowledge found in the ancient Jewish faith and its culture. In the Second Edition of *Thou Shall Prosper*, Lapin offers a practical approach to creating wealth based on the established principles of ancient Jewish wisdom. This book details the ten permanent principles that never change, the ten commandments of making money if you will, and explores the economic and philosophic vision of business that has been part of Jewish culture for centuries. The book's focus is on making accessible to individuals of all backgrounds, the timeless truths that Jews have used for centuries to excel in business. Outlines ten fundamental "commandments" relating to business and money Includes insights that will increase your potential for creating wealth, no matter what your faith or background may be Blends contemporary business stories and Lapin's own business experiences with the wisdom of the Torah and Talmudic prescriptions This Second Edition provides new examples, especially of Internet related business opportunities. In addition, each chapter highlights specific action steps

that can lead to wealth opportunities in both difficult economic times and periods of prosperity.

Justice Betrayed Jeffrey David 2016-09-15 A murder trial, a jury deliberating intensely on the death penalty, venal political corruption, and a staunch investigation set the stage for this story of two judges. One is a respected, seasoned veteran of the bench who has risen from Magistrate Court Judge to District Court and then to the Chief Justiceship of the state's Supreme Court; the other a young Administrative Law Judge, riveted by his duty, immovable and undeterred by enticement or violence, and unwilling to be silenced or swerve him from his sworn oath to uphold the law. Set in the cities and courthouses, the mesas, mountains, and high desert plains of New Mexico, this book drives forward like a charging battle tank, and all these events lead to the prize of a vacant U.S. Senate seat and all the potency and might that goes with it.

Such inquiry is imperative given the extraordinary challenges that face the world today. Leading figures in environmental ethics, philosophy and law approach questions surrounding global ethics and governance from a range of cultural and philosophical perspectives.

The Ten Commandments Dr. Laura Schlessinger 1999-08-18 The Ten Commandments are the first direct communication between a people and God. Designed to elevate our lives above mere frantic, animal existence to the sublime levels humanity is capable or experiencing, they are the blueprint of God's expectations of us and His plan for a meaningful, just, loving, and holy life. Each commandment asserts a principle, and each principle is a moral focal point for real-life issues relating to God, family, sex, work, charity, property, speech, and thought. Written in collaboration with Rabbi Stewart Vogel, *The Ten Commandments* incorporates lively discussion of the Bible and the Judeo-Christian values derived from it. Filled with passion, emotion, and profound insights, it

will move, enlighten, inspire, entertain, and educate you on the meaning each commandment has in our daily lives today: I am the Lord, your God, Who has taken you out of the land of Egypt, from the house of slavery. You shall not recognize the gods of others in My presence. You shall not take the Name of the Lord., your God, in vain. Remember the Sabbath day and sanctify it. Honor your Father and your Mother. You shall not murder. You shall not commit adultery. You shall not steal. You shall not bear false witness against your fellow. You shall not covet.

Deuteronomy in the Making Diana Edelman 2021-08-23 A number of long-standing theories concerning the production of Deuteronomy are currently being revisited. This volume takes a fresh look at the theory that there was an independent legal collection comprising chs 12-26 that subsequently was set within one or two narrative frames to yield the book, with ongoing redactional changes. Each contributor has been asked to focus on how the "core" might have functioned as a stand-alone document or, if exploring a theme or motif, to take note of commonalities and differences within the "core" and "frames" that might shed light on the theory under review. Some of the articles also revisit the theory of a northern origin of the "core" of the book, while others challenge de Wette's equation of Deuteronomy with the scroll found during temple repairs under Josiah. With Deuteronomic studies in a state of flux, this is a timely collection by a group of international scholars who use a range of methods and who, in varying degrees, work with or challenge older theories about the book's origin and growth to approach the central focus from many angles. Readers will find multivalent evidence they can reflect over to decide where they stand on the issue of Deuteronomy as a framed legal "core."

Reading the Ten Commandments Anew frère John (de Taizé) 2004 The Ten Commandments transport most of us back to the religion of our childhood, to catechism class or Sunday school. They easily evoke blind obedience, sin and guilt, a moralistic or legalistic mindset; their negative approach seems to be at the opposite extreme from the positive religion of love and responsibility which we identify with Jesus Christ. This book proposes to undertake a re-reading of this well-known biblical text to show how the Ten Commandments represent simple boundaries that

protect our freedom to act and grow as children of a loving God. They are road signs indicating the way to the One who is the Way to Life in all its fullness.

The Supraconscience of Humanity Edward H. Strauch 2010-05-25 Humankind evolved through three psychological stages - subconsciousness, conscience and supraconscience. Ritual and myth, cosmology and theism marked phases of psychic integration, initiating our supraconscience evolution. Secular and humanistic developments reveal themselves to be the primary powers accelerating human evolution. Together, they have nurtured humankind's ever-evolving supraconscience.

The Investment Code H. W. Charles 2016-05-30 Why are so many Jews Successful Investors that Accumulate Massive Wealth? Jews are known to be the most successful and best performing hedge-fund managers, investors, and traders in the world. Out of the best 25 money managers since the advent of American Capitalism, 17 are Jewish! Some of those in the top 25 are very famous: George Soros, Steven Cohen, James Simon, David Tepper, John Paulson, Carl Icahn, Daniel Loeb, Leon Cooperman, Israel Englander, David Einhorn, Seth Klarman, and Bruce Kovner. Groundbreaking research has found that one of the key components to the success of the Jews is their religion-Judaism. The Tanakh, a Jewish religious text, contains codes and messages secretly hidden within its pages-decoded by the Talmud, it offers practical guidance that can be applied to your investing and business practices. The Investment Code contains the time-tested secret wisdom found in the Tanakh that has worked to help the Jews accumulate wealth generation after generation. It can be applied by anyone today to attain wealth through wise investing practices.
