Temptation's Kiss Lisa Bingham 2014-01-19 In this “vibrant, sensitive, and unusual” Regency romance, a woman must tame a beast of a man while he seeks to bring out her most primitive desires (Romantic Times). When prim English governess Chelsea Wickersham agrees to tutor the long-lost heir of the mysterious

Cane estate, she expects to find a young boy eager to learn. But she is shocked to discover that her new pupil is not a boy—in fact, he barely seems to be a man. Wild and uncivilized, Sullivan Cane was only recently found on a remote island and brought back to take his rightful place within the family. But Cane is no simple beast. After years of

self-exile away from his scheming relations, he was forced to return to his family estate in Scotland. Now, he continues to play the role of wild man to outwit his backstabbing brethren. Even as he grows exhausted of his brutish pretense, he takes pleasure in watching the walls of Chelsea's façade crumble. But while passion grows between teacher and student, a sinister enemy lurks in their midst, threatening their love and their lives . . . This alluring novel of deception and desire will "make you laugh, cry and leave you sleepless while you try to read just one more page" (Affaire de Coeur).

In All Good Faith Liza Nash Taylor 2021-08-10 A riveting new historical fiction novel, *In All Good Faith* continues the story of May Marshall, the captivating protagonist introduced in Taylor's acclaimed 2020 debut, *Etiquette for Runaways*. In the summer of 1932, Americans are coming to realize that the financial crash of 1929 was only the beginning of hard times. May Marshall has returned from Paris to settle at her family home in rural Keswick, Virginia. She struggles to keep her family farm and market afloat through the economic downturn. May finds herself juggling her marriage with a tempting opportunity to revamp the family business to adapt to

changing times. In a cold-water West End Boston tenement the fractured Sykes family scrapes by on an itinerant mechanic's wages and home sewing. Having recently lost her mother, sixteen-year-old Dorrit Sykes questions the religious doctrine she was raised in. Dorrit is reclusive, held back by the anxiety attacks that have plagued her since childhood. Attempting to understand what limits her, she seeks inspiration in Nancy Drew mysteries and finds solace at the Boston Public Library, writing fairy stories for children. The library holds answers to both Dorrit's exploration of faith and her quest to understand and manage her anxiety. When Dorrit accompanies her father to Washington, DC, in the summer of 1932 to camp out and march with twenty thousand veterans intending to petition President Hoover for early payment of war bonuses, she begins an odyssey that will both traumatize and strengthen her. Along the way she redefines her faith, learning

Tempting Faith DiNapoli

Lisa Gabriele 2010-05-07 "Our house, in Little Italy, shared a wall with the Rossis' next door, and our clothesline connected with the Pilettis' behind us. My mother used to say that if one of the neighbours' houses was swallowed up by hell, we would

all be pulled down with them." Smart, witty, and emotionally generous, Tempting Faith DiNapoli is first-time novelist Lisa Gabriele's alternately wrenching and funny coming-of-age story about a girl who is born with a powerful faith — a faith that is sorely tested across the difficult years of her childhood and adolescence. Bewildered by her lot as the daughter in a fundamentally and often hilariously dysfunctional family, Faith genuinely wants to be a good Catholic girl. And she's pretty sure Jesus loves her. Trouble is, she's angry. Angry with her father for leaving, her mom for never going anywhere, and her siblings — just because they're around. So Faith lies. She cheats and she steals. In fact, she breaks every commandment on the list, mostly by accident. And in the process, Faith finds herself increasingly torn between the girl she and Jesus want her to be, and the girl she just plain happens to be. Lisa Gabriele writes with rare confidence and insight. Her sure-handed

Tempted in the Tropics Tracy March 2013-09-09 Paige Ellerbee's life is far from perfect after moving back to small-town Maple Creek—there's her struggling bakery, Sweet Bee's; her aging father; and the fact she's practically the only single girl in town. But when Lane Anderson, the town's hot—and young!—new doctor, moves in next door, she wouldn't mind receiving some intensive care...until their first conversation starts a feud. Lane came to Maple Creek to lay low after inadvertently being associated with a pill-prescribing scandal. When the gorgeous blonde next door asks for his help with a program that could raise eyebrows, he has to refuse. He's been burned in the past when

blinded by love, yet Paige's feisty personality has his blood running hot. When a little matchmaking lands Lane at Paige's best friend's wedding in St. Lucia, suddenly the romantic island vibe tempts them to kiss and make up. A temporary truce might be just what they both want—but forever love might be more than they can agree on. Each book in the Suddenly Smitten series is a standalone, full-length story that can be enjoyed out of order. Series Order: Book #1 - The Practice Proposal Book #2 - Tempted in the Tropics Book #3 - The Marriage Match
