Secret Sharers in Italian Comedy Jackson I. Cope 1996 Modern vernacular comedy took shape in early sixteenth-century Italy with the many plays adapted from and modeled on Plautine New Comedy. As Jackson I. Cope demonstrates in this study, some Italian dramatists reacted to the widespread success of this genre with a counterparadigm, a comedy that exploits secrecy as form. In both historically and critically engaging fashion, Cope identifies and examines this major development in Italian theater. Though outwardly similar to New Comedy with its characteristically harmonious closure, this essentially anti-Plautine form employs a secret-known by the audience but unequally shared among the players--to introduce a radical discrepancy between simultaneous stories unfolding in a single action doubly understood. The result is a plot that is misleading at the surface, contingent and unfinished at its end.

The audience, in a position of enforced collusion with regard to the secret, becomes a formal ingredient in the production. The play, more cynical than carnivalesque, opens onto vistas of disruption and deception rather than closing on a note of renewed social harmony. Cope's close and original readings of both classic and lesser-known plays by Machiavelli, Ruzante, Cecchi, Grazzini, Fagiuoli, Maggi, and others follow this peculiarly Italian, anti-Plautine paradigm through variations across three centuries to its masterful and complex culmination in Carlo Goldoni's villeggiatura trilogy. Establishing a new comedic canon that demands a revision of Italian dramatic history and the history of European dramatic theory, *Secret Sharers in Italian Comedy* makes an important contribution to Italian studies and will also attract readers among theater scholars in English, comparative literature, and drama. *Church Missionary Intelligencer and Record* 1906

*Modernism and the Post-Colonial* Peter Childs 2007-06-09 This book considers the shifts in aesthetic representation over the period 1885-1930 that coincide both with the rise of literary Modernism and imperialism's high point. If it is no coincidence that the rise of the novel accompanied the expansion of empire in the eighteenth-century, then the

historical conditions of fiction as the empire waned are equally pertinent. Peter Childs argues that modernist literary writing should be read in terms of its response and relationship to events overseas and that it should be seen as moving towards an emergent post-colonialism instead of struggling with a residual colonial past. Beginning by offering an analysis of the generational and gender conflict that spans art and empire in the period, Childs moves on to examine modernism's expression of a crisis of belief in relation to subjectivity, space, and time. Finally, he investigates the war as a turning point in both colonial relations and aesthetic experimentation. Each of the core chapters focuses on one key writer and discuss a range of others, including: Conrad, Lawrence, Kipling, Eliot, Woolf, Joyce, Conan Doyle and Haggard.

*DarkFire* E W Farnsworth 2016-02-26 E W Farnsworth's *DarkFire* at the Edge of Time brings together twenty-five visionary science fiction stories focusing on events leading up to and following the launch of the Spaceship Arcturus, destined to an epic voyage through space to the edge of the universe and back again. Avatars and AIs mature by programming themselves and acquiring human characteristics as they discover romance, sex, joy and pain. While alluding to works by Arthur C Clarke, Isaac Asimov, Norbert Wiener, H P Lovecraft and Alan Turing, Farnsworth's brainy stories break new ground. Amongst the twenty-five stories, "The Joys of Rayovision" explores early experimentation in teleportation; "Shell Game" features using DNA for encoding messages in outer space; and numerous other stories postulate the practicality of a neutrino communicator. The reader can read sequentially or delve into this collection in any direction. The variety of perspectives caters for every mood, inclination and intellectual capacity.

**Heart of Darkness and the Secret Sharer** Joseph Conrad 2008-08-05 In this pair of literary voyages into the inner self, Joseph Conrad has written two of the most chilling, disturbing, and noteworthy pieces of fiction of the twentieth century. *Heart of Darkness* is a devastating commentary on the corruptibility of humanity. Based on Conrad's own 1890 trip up the Congo River, the story is told by Marlow, the novelist's

alter ego. It is a journey into darkness and horror—both literally, as the narrator descends into a sinister jungle landscape, and metaphorically, as he encounters the morally depraved Mr. Kurtz. *The Secret Sharer* is the tale of a young sea captain's first command as he sails into the Gulf of Siam—and into an encounter with his mysterious "double," the shadow self of the unconscious mind. Joseph Conrad boldly experimented with the novella and novel forms, filled his writing with the exotic places he himself had traveled, and concerned himself with honor, guilt, moral alienation, and sin. *Heart of Darkness* and *The Secret Sharer* encapsulate his literary achievements—and his haunting portrayal of the dark side of man. With an Introduction by Joyce Carol Oates and an Afterword by Vince Passaro

*The Shadow Self in Film* Gershon Reiter 2014-01-23 This book examines 13 movies that deal with the protagonist and his projected "other." The cinematic Other is interpreted as an unconscious personality, a denied part of the protagonist that appears in his life as a shadowy menace who won't go away. Devoting a chapter to each movie, the book starts with Mamoulian's *Dr. Jekyll and Mr. Hyde* and three cinematic pairs: two Hitchcock films, *Shadow of a Doubt* and *Strangers on a Train*; two versions of *Cape Fear*, J. Lee Thompson's 1962 original and Martin Scorsese's 1991 remake; and a pair of Clint Eastwood films, *In the Line of Fire* and *Blood Work*. The book then examines *Something Wild*, *Sea of Love*, *Fight Club*, *Desperately Seeking Susan*, *Apocalypse Now* and *The Lives of Others*. Overall the book aims to show how movies envision the unconscious Other we all too often project on other people.

*The Secret*, Book & Scone Society Ellery Adams 2017-10-31 First in the

mystery series from the New York Times-bestselling author: “Anyone who loves novels that revolve around books will savor this tasty treat.”—Library Journal (starred review) A quirky club in small-town North Carolina holds the keys to health, happiness, friendship—and even solving a murder—all to be found within the pages of the right book... Strangers flock to Miracle Springs hoping the natural hot springs, five-star cuisine, and renowned spa can cure their ills. If none of that works, they often find their way to Miracle Books, where, over a fresh-baked “comfort” scone, they exchange their stories with owner Nora Pennington in return for a carefully chosen book. That’s Nora’s special talent—prescribing the perfect novel to ease a person’s deepest pain. So when a visiting businessman reaches out for guidance, Nora knows exactly how to help. But before he can keep their appointment, he’s found dead on the train tracks. Stunned, Nora forms the Secret, Book, and Scone Society, a group of damaged souls yearning to earn redemption by helping others. To join, members must divulge their darkest secret—the terrible truth that brought each of them to Miracle Springs in the first place. Now, determined to uncover the truth behind the businessman’s demise, the women meet in Nora’s cozy bookstore. And as they untangle a web of corruption, they also discover their own courage, purpose, and a sisterhood that will carry them through every challenge—proving it’s never too late to turn the page and start over... “Adams kicks off a new series featuring strong women, a touch of romance and mysticism, and both the cunning present-day mystery and the slowly revealed secrets of the intriguing heroines’ pasts.”—Kirkus Reviews

The Secret Sharers Keith Dixon 2015-04-22 He said, 'Let's be clear: there are two things that I want to come out of this. First, I want to be sure I'm being followed. Secondly, I want to know by whom. Do we understand each other?' How difficult could this case be? Private investigator Sam Dyke soon learns, however, that Frank Wallace, the client, hasn't revealed the whole truth. And in the world of secret intelligence in which Wallace has earned his living for the last forty years, it's probable the truth has rarely seen the light of day. Dyke travels into London and out of

his comfort zone, soon finding himself tangled in a web of deceit in which Government Intelligence services, mysterious blondes, private security firms and vintage Blues music are all bound together. Only he can clear a path through to find out what everyone really wants—and not just what they say they want. The Strange Girl, the last Sam Dyke thriller, was described as 'diverting' by The Bookseller, with Sam Dyke being 'Crewe's answer to Philip Marlowe'. The Secret Sharers is the latest exciting instalment in this action-packed series.

**Secret Sharers** Jennifer Spitzer 2023-02-21 Secret Sharers traces a genealogy of secret sharing between literary modernism and psychoanalysis, focusing on the productive entanglements and intense competitive rivalries that helped shape Anglo-American modernism as a field. As Jennifer Spitzer reveals, such rivalries played out in explicit criticism, inventive misreadings, and revisions of Freudian forms—from D. H. Lawrence’s re-descriptions of the unconscious to Vladimir Nabokov’s parodies of the psychoanalytic case study. While some modernists engaged directly with Freud and Freudian psychoanalysis with unmistakable rivalry and critique, others wrestled in more complex ways with Freud’s legacy. The key protagonists of this study—D. H. Lawrence, Virginia Woolf, W. H. Auden, and Vladimir Nabokov—are noteworthy for the way they engaged with, popularized, and revised the terms of Freudian psychoanalysis, while also struggling with it as an encroaching discourse. Modernists read psychoanalysis, misread psychoanalysis, and sometimes refused to read it altogether, while expressing anxiety about being read by psychoanalysis—subjecting themselves and their art to psychoanalytic interpretations. As analysts,

such as Freud, Ernest Jones, and Alfred Kuttner, turned to literature and art to illustrate psychoanalytic theories, modernists sought to counter such reductive narratives by envisioning competing formulations of the relationship between literature and psychic life. Modernists often expressed ambivalence about the probing, symptomatic style of psychoanalytic interpretation and responded with a re-doubling of arguments for aesthetic autonomy, formal self-consciousness, and amateurism. *Secret Sharers* reveals how modernists transformed the hermeneutic and diagnostic priorities of psychoanalysis into novel aesthetic strategies and distinctive modes of epistemological and critical engagement. In reassessing the historical and intellectual legacies of modernism, this book suggests that modernist responses to psychoanalytic criticism anticipate more recent critical debates about the value of “symptomatic” reading and the “hermeneutics of suspicion.”

**Secret Sharers** Anthony Fothergill 2006 This is the first book-length account of Joseph Conrad's reception in Germany, a virtually unresearched area of Conrad studies. It demonstrates that Conrad was read and used by his German readers as a cosmopolitan literary and moral voice against the prevailing nationalism of Germany in the 'dark times' of the 1930s and 1940s, when their own voices were being silenced. Challenging the longstanding assumption that Germany remained largely indifferent to his works, this book demonstrates that, particularly after the translation of the complete fiction commencing in the 1920s, Conrad's works achieved near cult status in Germany. On the basis of diaries and letters, contemporary reviews and essays, unpublished archival material as well as novels and films, the author illuminates the range and importance of Conrad's presence as a powerful liberating imagination within twentieth-century German culture.

Championed by Thomas Mann, lauded by Hermann Hesse, and decried as 'Conrad the Jew' by the Nazis, Conrad has remained an influential presence in post-war German culture. The study offers a completely fresh perspective on Conrad's works and speaks eloquently for the importance of recognizing the way trans-national literary cultural relations have helped to shape European cultural history.

*Secret Sharers: Melville, Conrad and Narratives of the Real* Paweł Jędrzejko 2011-01-01 The present book explores a variety of fundamental questions that all of us secretly share. Its twenty-one chapters, written by some of the world's leading Melville and Conrad scholars, indicate possible directions of comparativist insight into the continuity and transformations of western existentialist thought between the 19th and 20th centuries. The existential philosophy of participation—so mistrustful of analytical categories—is epitomized by the lives and oeuvres of Melville and Conrad. Born in the immediacy of experience, this philosophy finds its expression in uncertain tropes and faith-based actions; rather than muffle the horror vacui with words, it plunges head first into liminality, where logos dissolves into a “positive nothing.” Unlike analytical philosophers, both Melville and Conrad refrain from talking about reality: they expose those who would listen to a first-hand experience of participation in an interpretive act. Employing literary

tropes to denude the essence of the human condition, they allow their readers to transgress the limitations of language. Mistrustful of language, they accept the necessity of discourse which, to make sense, must be actively reshaped, endlessly questioned, and constantly revised. And if uncertainty is the only certainty available to us, our lowly human condition also necessitates compassion: an existential cure against the liquid, capricious reality we are afforded.

**E-Commerce and Web Technologies** Kurt Bauknecht 2004-12-07 We welcome you to the proceedings of the 5th International Conference on E-Commerce and Web Technology (EC-Web2004) held in conjunction with DEXA 2004 in Zaragoza, Spain. This conference, first held in Greenwich, United Kingdom in 2000, now is in its fifth year and very well established. As in the four previous years, it served as a forum to bring together researchers from academia and commercial developers from industry to discuss the current state of the art in e-commerce and Web technology. Inspirations and new ideas emerged from intensive discussions during formal sessions and social events. Keynote addresses, research presentations and discussions during the conference helped to further develop the exchange of ideas among the researchers, developers and practitioners present. The conference attracted 103 paper submissions and almost every paper was reviewed by three program committee members. The program committee lectured 37 papers for presentation and publication, a task which was not easy due to the high quality of the submitted papers. We would like to express our thanks to our colleagues who helped with putting together the technical program: the program committee members and external reviewers for their timely and rigorous reviews of the papers, and the organizing committee for their help in the administrative work and support. We owe special thanks to Gabriela Wagner, Mirella Köster, and Birgit Hauer for their helping hands concerning the administrative and organizational tasks of this conference.

Finally, we would like to thank all the authors who submitted papers, authors

who presented papers, and the participants who together made this conference an intellectually stimulating event through their active contributions.

Ford Madox Ford 2008-01-01 The controversial British writer Ford Madox Ford (1873-1939) is increasingly recognized as a major presence in early twentieth-century literature. This series of International Ford Madox Ford Studies was founded to reflect the recent resurgence of interest in him. Each volume is based upon a particular theme or issue; and relates aspects of Ford's work, life, and contacts, to broader concerns of his time. The present book is part of a large-scale reassessment of his roles in literary history. Ford is best-known for his fiction, especially *The Good Soldier*, long considered a modernist masterpiece; and *Parade's End*, which Anthony Burgess described as 'the finest novel about the First World War'; and Samuel Hynes has called 'the greatest war novel ever written by an Englishman'. In these, as in most of his books, Ford renders and analyses the crucial transformations in modern society and culture. One of the most striking features of his career is his close involvement with so many of the major international literary groupings of his time. In the South-East of England at the fin-de-siècle, he collaborated for a decade with Joseph Conrad, and befriended

Henry James and H. G. Wells. In Edwardian London he founded the English Review, publishing these writers alongside his new discoveries, Ezra Pound, D. H. Lawrence, and Wyndham Lewis. After the war he moved to France, founding the transatlantic review in Paris, taking on Hemingway as a sub-editor, discovering another generation of Modernists such as Jean Rhys and Basil Bunting, and publishing them alongside Joyce and Gertrude Stein. Besides his role as contributor and enabler to various versions of Modernism, Ford was also one of its most entertaining chroniclers. This volume includes twelve new essays on Ford's engagement with the literary networks and cultural shifts of his era, by leading experts and younger scholars of Ford and Modernism.

Two of the essays are by well-known creative writers: the novelist Colm Tóibín, and the novelist and cultural commentator Zinovy Zinik.
