John L. Bowman 2005 How to Succeed in Commercial Real Estate is a comprehensive, practical book for those considering entering the

field of commercial real estate, those just beginning in the business, as well as experienced brokers and sales managers who want to evaluate and strengthen their current strategies ? especially those related to listings, negotiations, contracts, and sales. The author provides a straightforward overview of the business of selling commercial property, including coverage of the four main specialty areas ? retail, office, industrial, and investment ? as well as crossovers and emerging specialties. Rather than pumping a ?get rich quick? approach to selling, the author shows brokers that they don?t have to sacrifice integrity and ethics to remain competitive and deal oriented.
