*Door into the Dark* Seamus Heaney 2014-02-04 *Door into the Dark*, Seamus Heaney's second collection of poems, first appeared in 1969. Already his widely celebrated gifts of precision, thoughtfulness, and musicality were everywhere apparent.

**Dark Shadows** Kimberly Alameda 2012-06-26 Kimberly Alameda grew up in the East Bay portion of the Bay Area, California. She has a unique perspective in capturing the beauty of ordinary life, and its surroundings. Sometimes a journey through the darkness brings one an appreciation of the light. Read a collection of poems from a different point of view, a place not everyone gets the opportunity to see. When not writing, Kimberly enjoys playing with her dogs, photography, and the company of her strange, but endearing friends.

*The Ink Dark Moon* Ono no Komachi 2015-01-21 These translated poems were written by 2 ladies of the Heian court of Japan between the ninth and eleventh centuries A.D. The poems speak intimately of their authors' sexual longing, fulfillment and disillusionment.

*Discovering Darkness in the Light* Dana DeSimon 2009-11-24 Light in the darkness and darkness in the light. From the gloom of dark shadows to the shimmer of sunlight, and back again. From the explosions of passion, to the quiet, tender glow of serenity. From despair and agony, to hope and love. From sorrow and anguish, back once again, to a world of love and hope; awakening to a fresh and joyful beginning. From indescribable beauty, to incomprehensible ugliness and pain; and then onward, to a new vision of breathtaking beauty, born anew. You are invited to experience the world in a way that you may never have seen or felt before. Stimulate the mind and the senses. Experience a different sort of poetry book. How can this be? Read on taste and see. Learn about all these things and yes still more. A few things that were never quite envisioned before.

*Measuring the Dark* Kate Gleason 2009 Poetry. Winner of the 2008 Zone 3 First Book Award in Poetry, selected by Phillis Levin. "Immeasurable immensities reside in MEASURING THE DARK, Kate Gleason's richly imagined earthbound book of poems, where nervy intelligence and bittersweet insight are recurrent features in an ever-changing landscape"--Phillis Levin.

**Learning to See in the Dark** Lorraine Janzen Kooistra 2003 In her first collection of poetry, *Learning to see in the dark*, Lorraine Janzen draws from her heritage to create poems of discovery and rediscovery. With an eye for a telling detail, and a strong rhythmic bent, Janzen offers poems of pie-making, poems about Indian dust, poems that decipher cross-dressing. Her images resonate with honesty: a father entertains his daughter at a visit to his parents, a part-Iroquois, part-Scottish school teacher instructs children on a hot afternoon, a mother crafts pies and tells stories. Through all of her work a love of the land predominates, and deep understanding of the history of everything she touches. This is a richly grounded debut collection that will leave readers with a taste for more of Janzen's poetry, with its strong sense of place.

*Nyctophilia- Lady Dark Angel Of Nyx* 2013-02 *Nyctophilia-The Lover of Darkness* is a collection of dark poems. Take a walk on the darker side of life. I will hold your hand as I guide you into my world. The darkness is filled with the creatures of the nite. I am one of them. Come join me. I am calling to you. Come embrace the darkness. I am dark poet coming to you from the forbidden world. My fingers compose my poems from the darker side of life. Come take a journey with me as we explore the darkness together. I will show you another world that is only talked about and concealed from you. This world has been hidden for thousands of years. I will bring the darkness into the light for all to see. Welcome all those who wish to take a journey with me. Take my hand and I will be a guide into this world of darkness. I will show you a world that coexists within your world. I want to show there are many kinds of different creatures of the night who dwell in your world. And in doing this I hope to bring peace, harmony and greater understanding of the darker side of life. I hope to end the reoccurring conflict about the darkness and the creatures that dwell there. A battle that has been raging for thousands of years now the time has come to end this conflict among ourselves. Come take a walk with me into the darkness and see this world from a different perspective. These are two poems for *Nyctophilia- the Lover of Darkness*. I will be waiting you for here in the darkness.

*Seeing in the Dark* Pauline Butling 2006-01-01 Poet Phyllis Webb initiated new ways of seeing into the cultural "dark" of Western thought. By blurring the axis between "light" and "dark," she redefined in positive terms women's subjectivity and sexuality, which are traditionally assigned "dark" negative values. *Seeing in the Dark* includes perceptive discussions on a number of Webb's collections, specifically *Naked Poems*, *Wilson's Bowl*, *Water and Light* and *Hanging Fire*. Butling shows how Webb uses strategies of subversion, reversal and re-vision of prevailing traditions and tropes to facilitate "seeing in the dark." She also provides a fascinating analysis of Webb criticism — tracing it over the past thirty years and revealing a shift in critical paradigms. A chapter on biography includes intriguing archival material. Pauline Butling offers important new ways of reading one of Canada's finest poets. *Seeing in the Dark* is essential introductory material for the general reader and provides provocative penetrating analysis for literary scholars.

*No Matter How Dark the Stain* Andrea L. Wehlann 2021-06 Award-winning Canadian poet releases her first full-length book of poetry-inspired poems for women about self-worth, trauma resilience, and healing. Healing can happen in an instant. Opening this book of poetry for women is like opening your awareness. It's the first step in the direction of love, of listening to your heart. You are not defined by what happened to you. You are what you do in this moment. Essentially a collection of love poems for anxious people, *No Matter how Dark the Stain* acknowledges the innocence of the heart and the child within us all. It meets people in their darkest space and gives a breath of life to the pain and feelings that haunt and keep bad patterns recurring. It offers a light, it sends love and comfort, affirmations, and strength to keep pushing through pain and through that door, which is within, revealing the love and light of awareness and expanding the mind and heart to new possibilities beyond the painful experiences. This book will shine light on darkness to invoke rising closer to our full loving nature, potential. *No Matter How Dark the Stain* is presented in three sections: Poems of love, innocence, and poems of hope from the time before loss, grief, and trauma Grieving poems for the loss of a child, and poetry about abuse and trauma Poems of getting over grief, healing poems, poems of hope and gratitude, poems of love, especially self-love. Where there is light, there can be no darkness. Love is like a switch that heals our darkness. You've opened your heart. Felt the pieces falling apart. Poet Andrea L.

Wehlann has glued her pieces together, on her knees. She tells her yoga students: "That's the thing about the heart. It breaks." Wehlann's book of poetry for women holds space for your pain. Her words can be your light. Your body wants to heal. Close your eyes, breathe these poems in, into that space we are all open, free, and interconnected. "You are not alone. You can do this—as I have. You're a star. It's never too late to shine. Thank you for taking this journey to the light with me." -Andrea

Dark Poetry from a Gothic View Magus Hockett 2010-07-01

*Help in the Dark Season* Jacqueline Suskin 2019-09-05 The poems in *Help in the Dark Season* expose lessons of adult and childhood trauma, relationship joys and failures, and the all-around hard work of true togetherness. *Help in the Dark Season* explores the pathway of human love as it begins in the dark, moves into parental hands, transfers into to experiments of the heart, grows, breaks, and ultimately transforms us more than any other experience we withstand. Each poem walks us into Jacqueline Suskin's world, where dreams and sacred visions are just as important as reality, where planet earth is an active character and spouse, and every attempt at love adds up as wisdom worth remembering. There are so many ways for us to access love; these poems map this personal process, uncovering the helpful tools and healing realizations that Suskin has gathered while conjuring up and relentlessly believing in love. Even when it hurts us the most and causes the worst confusion, even when it's laughable and foolish, these poems aim to provide proof that human connection is crucial and always worth the risk.

**Dark Emperor and Other Poems of the Night** Joyce Sidman

2010-09-06 Come feel the cool and shadowed breeze, come smell your way among the trees, come touch rough bark and leathery leaves: Welcome to the night. Welcome to the night, where mice stir and furry moths flutter. Where snails spiral into shells as orb spiders circle in silk. Where the roots of oak trees recover and repair from their time in the light. Where the porcupette eats delicacies—raspberry leaves!—and coos and sings. Come out to the cool, night wood, and buzz and hoot and howl—but do beware of the great horned owl—for it's wild and it's windy way out in the woods!

**To be Read in the Dark** Maxine Chernoff 2011 To Be Read in the Dark casts its strobe of radical vision on the dark crises of our common experience. Personal and prophetic, these compressed lyrics are capacious in meaning. Here is a penetrating appraisal of the underlying politics and philosophical disposition of our daily struggles, both formally relentless and epic in scope. These are poems you will want to read aloud, letting this language spotlight a navigable course into and through the dark.

Scribbled in the Dark Charles Simic 2017-06-13 From the Pulitzer Prize-winning former poet laureate, a collection of elegiac, irreverent new poems—an American master at the height of his talent The latest volume of poetry from Charles Simic hums with the liveliness of the writer's pen. *Scribbled in the Dark* brings the poet's signature sardonic sense of humor, piercing social insight, and haunting lyricism to diverse and richly imagined landscapes. Peopled by policemen, presidents, kids in Halloween masks, a fortune-teller, a fly on the wall of the poet's kitchen; set on crowded New York streets, on park benches, and under darkened skies; the pages within toy with the end of the world and its infinity. Simic continues to be an imitable voice in modern American poetry and one of its finest chroniclers of the human condition.

**Seeing the Body: Poems** Rachel Eliza Griffiths 2020-06-09 Nominee for the 2021 NAACP Image Award in Poetry An elegiac and moving meditation on the ways in which we witness "bodies" of grief and healing. Poems and photographs collide in this intimate collection, challenging the invisible, indefinable ways mourning takes up residence in a body, both before and after life-altering loss. In radiant poems—set against the evocative and desperate backdrop of contemporary events, pop culture, and politics—Rachel Eliza Griffiths reckons with her mother's death, aging, authority, art, black womanhood, memory, and the American imagination. The poems take shape in the space where public and private mourning converge, finding there magic and music alongside brutality and trauma. Griffiths braids a moving narrative of identity and its possibilities for rebirth through image and through loss. A photographer as well as a poet, Griffiths accompanies the fierce rhythm of her verses with a series of ghostly, imaginative self-portraits, blurring the body's internal wilderness with landscapes alive with beauty

and terror. The collision of text and imagery offers an associative autobiography, in which narratives of language, absence, and presence are at once saved, revised, and often erased. Seeing the Body dismantles personal and public masks of silence and self-destruction to visualize and celebrate the imperfect freedom of radical self-love.

**A Book of Dark Poems** Terry J Powell 2014-11-14 This book contains all the horrors of life and after life, read it if you dare. I separated all the nasty and horrible poems I could find amongst the whole host of over 400 poems I have written over the last 15 years. I recommend that you read it with company and never on your own, and also keep the light on. Of all the poems I've ever written I must admit, I enjoyed writing them and presenting them to the poetry forum I was running at the time. Trying to please everyone is so hard, however on many occasions I did satisfy those with a thirst for poetry. All I can say is Read this and any of my other books. **The Collected Poems of Theodore Roethke** Theodore Roethke

2011-12-14 This paperback edition contains the complete text of Roethke's seven published volumes in addition to sixteen previously uncollected poems. Included are his Pulitzer Prize and National Book Award winners *The Walking*, *Words for the Wind*, and *The Far Field*. These two hundred poems demonstrate the variety of Roethke's themes and styles, the comic and serious sides of his temperament, and his breakthroughs in the use of language. Together they document the development of an extraordinary creative source of American poetry.

**The Dark Between Stars** Atticus 2018-09-04 From the internationally bestselling author of *Love Her Wild* comes *The Dark Between Stars*, a new illustrated collection of heartfelt, whimsical, and romantic poems from Instagram poetry sensation, Atticus. Atticus, has captured the hearts and minds of nearly 700k followers (including stars like Karlie Kloss, Emma Roberts, and Alicia Keys). In his second collection of poetry, *The Dark Between Stars*, he turns his attention to the dualities of our lived experiences—the inescapable connections between our highest highs and lowest lows. He captures the infectious energy of starting a relationship, the tumultuous realities of commitment, and the agonizing nostalgia of being alone again. While grappling with the question of how to live with purpose and find meaning in the journey, these poems offer both honest explorations of loneliness and our search for connection, as well as light-hearted, humorous observations. As Atticus writes poignantly about dancing, Paris, jazz clubs, sunsets, sharing a bottle of wine on the river, rainy days, creating, and destroying, he illustrates that we need moments of both beauty and pain—the darkness and the stars—to fully appreciate all that life and love have to offer.

Dark Traffic Joan Naviyuk Kane 2021-09-14 Finalist, 2023 Kingsley Tufts Poetry Award *Dark Traffic* creates landmarks through language, by which its speakers begin to describe traumas in order to survive and move through them. With fine detail and observation, these poems work in some way like poetic weirs: readers of Kane's work will see the arctic and subarctic, but also, more broadly, America, and the exigencies of motherhood, indigenous experience, feminism, and climate crises alongside the near-necropastoral of misogyny, violence, and systemic failures. These contexts catch the voice of the poems' speakers, and we perceive the currents they create.

Upside Down in the Dark Carol Potter 1995 These poems by Carol Potter, about being a woman, a mother, a lesbian, are remarkably pure and full of energy. Written with love, they seem to imply that, yes, there is pain, but what a miracle there is for its setting. These poems are a rare meeting of craft and spontaneity, as if the poet were standing by the flume of a spillway and shaping the flow with her hands. --Doug Anderson

*A Life Between Light and Darkness* Beth Shelnett 2012-03-01 This poetry book contains a neat balance of light and dark poetry. Poems range from feelings of utter hate to those of pure love. Hopefully this book will contain enough poems to satisfy the curious buyer. Some would even say the author has a strange way displaying certain emotions through fictional monsters.

*Figured Dark* Greg Rappleye 2007-08-01 Greg Rappleye is corporation counsel for Ottawa County, Grand Haven, Michigan. He's the author of two poetry collections, *Holding Down the Earth* and *A Path Between*

Houses, and two chapbooks. A past Bread Loaf Fellow in poetry, he has won a number of awards, including a Pushcart Prize, the Paumanok Poetry Award, and the Brittingham Prize, and he was the first runner up for the 2007 Dorset Prize.

*A Light in the Dark Poems* Irene Cohen 2013-08-05 Irene Cohen was born and raised in Brooklyn, New York. She started writing at 13 and did not have anyone to turn to so she made her own journal. And just the same way, she turned to the journal and music. She is very passionate about music. Writing and music helped her to sustain. *A Light in the Dark Poems* is Irene Cohens third book with Xlibris. Other poetry books are: *Destination Unknown Poems* *The Sun, the Moon and the Stars Book of Poems*

**Seeing in the Darkness** Kathleen Caldwell 2018-09-07 *Seeing In The Darkness: Epic Poems (LOVE POEMS)* This book is a small collection of very personal original poetry about the author's struggles in life. It is about love, life, death, and beyond touching on real issues and moral dark areas. This poetry takes readers through a journey of the most bitter moments in life by exploring trauma, mental illness, heartbreak, abuse, and the realizations from it all. The intention is to have you feeling emotions with a heavy heart by painting a picture through words of pain to help those in similar situations to see the light in the darkness. *Seeing in the Dark* Joyce Nelson 1996 *Seeing in the Dark* reveals those moments when we are poised between innocence and knowing, memory and forgetfulness, baptism and redemption - those moments of wonder we find beyond whatever hurts us.

*A Step in the Dark* Stephen C. Behrendt 1996 *A Step In The Dark* is Stephen Behrendt's second volume of poetry. In the poem called "Alone in London" he writes: "Love alone across the Atlantic is harder, /but love no less if anything it's more/Everything reminds, all that we should see together: the geese at Kew, / the heron in the tree, squawking as it springs, /the horses in Hyde Park, the umbrellas/at Brighton, flapping tn cool breeze / At night I read till after midnight, /the breeze filling my small room/ through the sheers, switch off my light, / turn to the wall in my narrow bed, /and sleep a deep and dreamless sleep/ until the morning light reminds me/how I am still alone, and Incomplete". Hilda Raz writes that Behrendt's poetry is "Passionate and witty... recollected in tranquillity, presented with the small measure of detachment that Wordsworth recommends.

*See You in the Dark* Lynne Sharon Schwartz 2012-01-30 An acclaimed novelist, essayist, memoirist, and translator, Lynne Sharon Schwartz has written that she began writing "before [she] knew about the strictures of literary genres: poem, story, essay." What she wrote as a child was "poetic speculation . . . partaking of all the genres and bounded by none." It is not surprising, then, that her facility with, and love of, language and speculation are on display in her new collection of poetry, *See You in the Dark*. Despite her indifference to genre, Schwartz takes a profound delight in poetic forms, appropriating the sonnet, the prose poem, and the envoi. She brings an easygoing musicality to her work, which ranges from parodic translations of Verlaine to instructions for making the perfect soup to a meditation on an Ecstasy trip. No artificial line between high and low culture divides Schwartz's world: she is equally intrigued by the metaphor of gardening, the work of artist Jenny Holzer, the bandits Frank and Jesse James (maybe distant relatives of Henry and William?), and the unintentional poetry of Craigslit's "missed connection" section. Filled with wisdom, humor, and deep insight, *See You in the Dark* is poetry for readers not bounded by genre.

**Horse in the Dark** Vievee Francis 2012-08-31 Bold and skilled, Francis

takes us into the still landscapes of Texas, evoking the African American South in fluid detail. Her poems become panhandle folktales fraught with the weight of memories both individual and collective. Her creative tangle of metaphors, people, and geography will keep the reader rooted in the good earth of extraordinary verse.

**Talking in the Dark** Wesley McNair 1998 Whether homages to "Old Cadillacs" or reflections on "Why We Need Poetry," these poems demonstrate Wesley McNair's ability to tell a life in a line and to disclose the knowledge of the heart. How McNair's characters talk about their difficulties -- or why they can't -- is central to this collection, as are meditations in which the poet speaks directly to the reader about the trials and affirmations of human experience.

*Dark Poetry* Fenris Mau 2019-11-23 A poetry book focusing on dark themes.

**Shots in the Dark: Eighty Poems** Janice Kochanski 2013-03-01 Janice Kochanski's poetry is in a class of its own: It rides on an unnerving simplicity that sticks in the mind like fragments of glass. Her subjects are commonplace, her way of seeing them so utterly out of the ordinary as to revise our notion of what we're actually looking at when we see a cat, a bus, a butterfly, a new pair of pants. She will alter your sense of reality--and, as you see life through her unerring eyes, your sense of the things that truly matter in it.

**I Find You in the Darkness** Alfa 2018-08-14 A book of poetry about love, loss, and healing.
