Rebel Angels Libba Bray 2010-05-01 In this thrilling sequel, Gemma continues to pursue her destiny to bind the magic of the Realms and restore it to the Order. Gemma and her friends from Spence use magical power to transport themselves on visits from their corseted world of Victorian London (at the height of the Christmas season), to the visionary country of the Realms, with its strange beauty and menace. There they search for the lost Temple, the key to Gemma's mission, and comfort Pippa, their friend who has been left behind in the Realms. After these visits they bring back magical power for a short time to use in their own world. Meanwhile, Gemma is torn between her attraction to the exotic Kartik, the messenger from the opposing forces of the Rakshana, and the handsome but clueless Simon, a young man of good family who is courting her. This is the second book in Libba Bray's engrossing trilogy, set in a time of strict morality and barely repressed sensuality, about a girl who saw another way.

This can be accomplished by visually engaging students in classroom activities. *Visual Imagery, Metadata, and Multimodal Literacies Across the Curriculum* is a pivotal reference source that examines the role of visual-based stimuli to create meaningful learning in contemporary classroom settings. Highlighting a range of relevant topics such as writing composition, data visualization, and literature studies, this book is ideally designed for educators, researchers, professionals, and academics interested in the application of visual imagery in learning environments. *The Sweet Far Thing* Libba Bray 2010-07-01 It has been a year of change since Gemma Doyle arrived at the foreboding Spence Academy. Having bound the wild, dark magic of the realms to her, Gemma has forged unlikely and unsuspected new alliances both with the headstrong Felicity

and timid Ann, Kartik, the exotic young man whose companionship is forbidden, and the fearsome creatures of the realms. Now, as Gemma approaches her London debut, the time has come to test those bonds. As her friendship with Felicity and Ann faces its gravest trial, and with the Order grappling for control of the realms, Gemma is compelled to decide once and for all which path she is meant to take. Pulled forward by fate, the destiny Gemma faces threatens to set chaos loose, not only in the realms, but also upon the rigid Victorian society whose rules Gemma has both defied and followed. Where does Gemma really belong? And will she, can she, survive?

**The Secret Scripture** Sebastian Barry 2008-06-12 An epic story of family, love, and unavoidable tragedy from the two-time Man Booker Prize finalist. Now a major motion picture starring Rooney Mara. Sebastian Barry's latest novel, *Days Without End*, is now available. Sebastian Barry's novels have been hugely admired by readers and critics, and in 2005 his novel *A Long Long Way* was shortlisted for the Man Booker Prize. In *The Secret Scripture*, Barry revisits County Sligo, Ireland, the setting for his previous three books, to tell the unforgettable story of Roseanne McNulty. Once one of the most beguiling women in Sligo, she is now a resident of Roscommon Regional Mental Hospital and nearing her hundredth year. Set against an Ireland besieged by conflict, *The Secret Scripture* is an engrossing tale of one woman's life, and a poignant story of the cruelties of civil war and corrupted power. *The Secret Scripture* is now a film starring Rooney Mara, Eric Bana, and Vanessa Redgrave.

*A Terrible Beauty* Mairéad Ashe FitzGerald 2015-04-06 'A terrible beauty is born' WB Yeats's poignant words have come to immortalise the

complex legacy of the Easter Rising, 1916. The poetry that emerged at this time of upheaval in Ireland gave voice to the thoughts of a generation. Yeats's poem, 'Easter 1916', sits alongside selected works of other major poets of the era. These include Patrick Pearse, Thomas MacDonagh and Joseph Plunkett, who were executed for their part in the Rising. In the aftermath of the Rising an outpouring of poetry also expressed the shock and grief of literary figures such as Padraic Colum, Francis Ledwidge, Eva Gore-Booth, James Stephens, Dora Sigerson Shorter and Seán O'Casey. Rebels, soldiers, honorary Irishmen, sympathisers and exiles all held up a mirror, in verse, to the events, beliefs and desires bound up in 1916.

**Beauty Is a Wound** Eka Kurniawan 2015-09-08 The English-language debut of Indonesia's rising star. The epic novel *Beauty Is a Wound* combines history, satire, family tragedy, legend, humor, and romance in a sweeping polyphony. The beautiful Indo prostitute Dewi Ayu and her four daughters are beset by incest, murder, bestiality, rape, insanity, monstrosity, and the often vengeful undead. Kurniawan's gleefully grotesque hyperbole functions as a scathing critique of his young nation's troubled past: the rapacious offhand greed of colonialism; the chaotic struggle for independence; the 1965 mass murders of perhaps a million "Communists," followed by three decades of Suharto's despotic rule. *Beauty Is a Wound* astonishes from its opening line: One afternoon on a weekend in May, Dewi Ayu rose from her grave after being dead for twenty-one years.... Drawing on local sources—folk tales and the all-night shadow puppet plays, with their bawdy wit and epic scope—and inspired by Melville and Gogol, Kurniawan's distinctive voice brings something luscious yet astringent to contemporary literature.

**The Thing About Life is That One Day You'll Be Dead** David Shields 2008-02-05 NATIONAL BESTSELLER • Weaving together personal anecdote, biological fact, philosophical doubt, cultural criticism, and the wisdom of an eclectic range of writers and thinkers, a book that expertly renders both a hilarious family portrait and a truly resonant meditation on mortality. "Shields is a sharp-eyed, self-deprecating, at times hilarious writer." —The Wall Street Journal Mesmerized and somewhat unnerved by his 97-year-old father's vitality and optimism, David Shields undertakes an original investigation of our flesh-and-blood existence, our mortal being. *The Thing About Life* provokes us to contemplate the brevity and radiance of our own sojourn on earth and challenges us to rearrange our thinking in crucial and unexpected ways.

**Song & Error** Averill Curdy 2014-09-09 A lush, lyrical debut from a vibrant new poetic voice A sparrow like a "fumbled punch line" is lost in

an airport; a man translating Ovid is transfigured by witnessing a massacre in Jamestown in 1621; a woman smiles seductively as the skin on her back is opened out like a wing; a lizard upon a laptop shimmers with the true life, primitive and binary, of our modern information age. In the sonically rich, formally restless poems of this debut collection, *Song & Error*, the thread that unravels all we think we know of the world is plucked loose and drawn from a seal's beached corpse. Uniting past and present, history and autobiography, Averill Curdy's poems strive to endure within "the crease of transformation" and to speak-sing-of that terrible beauty.

*A Great and Terrible Beauty* Libba Bray 2010-05-01 It's 1895, and after the death of her mother, 16-year-old Gemma Doyle is shipped off from the life she knows in India to Spence, a proper boarding school in England. Lonely, guilt-ridden, and prone to visions of the future that have an uncomfortable habit of coming true, Gemma's reception there is a chilly one. To make things worse, she's being followed by a mysterious young Indian man, a man sent to watch her. But why? What is her destiny? And what will her entanglement with Spence's most powerful girls - and their foray into the spiritual world - lead to?

*How to Read a Poem* Terry Eagleton 2006-10-20 Lucid, entertaining and full of insight, *How To Read A Poem* is designed to banish the intimidation that too often attends the subject of poetry, and in doing so to bring it into the personal possession of the students and the general reader. Offers a detailed examination of poetic form and its relation to content. Takes a wide range of poems from the Renaissance to the present day and submits them to brilliantly illuminating closes analysis. Discusses the work of major poets, including John Milton, Alexander Pope, John Keats, Christina Rossetti, Emily Dickinson, W.B. Yeats, Robert Frost, W.H.Auden, Seamus Heaney, Derek Mahon, and many more. Includes a helpful glossary of poetic terms.

**Easter Widows** Sinead McCool 2015-09-10 One week in May 1916, seven Irish women became widows. When they had married their husbands they had embarked on very different lives. They married men of the establishment; one married a lecturer, two others married

soldiers, another a civil servant. These women all knew each other and their lives became intertwined. For the seven women whose stories are told in *Easter Widows*, their husbands' interest in Irish culture, citizenship and rights became a fight for independence which at Easter 1916 took the form of military action against the British. These men were among the leaders who formed a provisional government of the Irish Republic and issued a proclamation of Irish Independence. But the Rising was defeated, and the leaders were arrested and hastily executed. Some of the widows broke under the strain of their experiences and this story tells of miscarriage and tragedy. Yet for another of the women, the execution of her husband allowed her to return from self-imposed exile, freed from the fear that her son would be taken from her by her estranged husband. This is also a story of women of power and success – some of the widows emerged from the shadows to become leaders themselves. It is a human story told against the backdrop of the years of conflict in Ireland 1916-1923 - the Rising, the War of Independence and the Civil War. *Easter Widows* introduces all the characters separately through the romances of these seven women – Lillie, Maud, Kathleen, Aine, Agnes, Grace, Muriel – before bringing their stories together in a cohesive narrative. These interlinking stories are clearly embedded in an authentic historical account.

*Vivid Faces: The Revolutionary Generation in Ireland, 1890-1923* R. F.

Foster 2015-01-26 A masterful history of Ireland's Easter Rising told through the lives of ordinary people who forged a revolutionary generation. On Easter Monday, 1916, Irish rebels poured into Dublin's streets to proclaim an independent republic. Ireland's long struggle for self-government had suddenly become a radical and bloody fight for independence from Great Britain. Irish nationalists mounted a week-long insurrection, occupying public buildings and creating mayhem before the British army regained control. The Easter Rising provided the spark for the Irish revolution, a turning point in the violent history of Irish independence. In this highly original history, acclaimed scholar R. F.

Foster explores the human dimension of this pivotal event. He focuses on the ordinary men and women, Yeats's "vivid faces," who rose "from counter or desk among grey / Eighteenth-century houses" and took to the streets. A generation made, not born, they rejected the inherited ways of the Church, their bourgeois families, and British rule. They found inspiration in the ideals of socialism and feminism, in new approaches to love, art, and belief. Drawing on fresh sources, including personal letters and diaries, Foster summons his characters to life. We meet Rosamond Jacob, who escaped provincial Waterford for bustling Dublin. On a jaunt through the city she might visit a modern art gallery, buy cigarettes, or read a radical feminist newspaper. She could practice the Irish language, attend a lecture on Freud, or flirt with a man who would later be executed for his radical activity. These became the roots of a rich life of activism in Irish and women's causes. *Vivid Faces* shows how Rosamond and her peers were galvanized to action by a vertiginous sense of transformation: as one confided to his diary, "I am changing and things around me change." Politics had fused with the intimacies of love and belief, making the Rising an event not only of the streets but also of the hearts and minds of a generation.

*A Terrible Beauty* Peter Watson 2000 All changed, changed utterly; *A terrible beauty is born* Easter 1916, W B Yeats *Terrible Beauty* presents

a unique narrative of the twentieth century. Unlike more conventional histories, where the focus is on political events and personalities, on wars, treaties and elections, this book concentrates on the ideas that made the century so rich, rewarding and provocative. Beginning with four seminal ideas which were introduced in 1900 - the unconscious, the gene, the quantum and Picasso's first paintings in Paris - the book brings together the main areas of thought and juxtaposes the most original and influential ideas of our time in an immensely readable narrative. From the creation of plastic to Norman Mailer, from the discovery of the 'Big Bang' to the Counterculture, from Relativity to Susan Sontag, from Proust to Salman Rushdie, and Henri Bergson to Saul Bellow, the book's range is encyclopedic. We meet in these pages the other twentieth century, the writers, the artists, the scientists and philosophers who were not cowed by the political and military disasters raging around them, and produced some of the most amazing and rewarding ideas by which we live. *Terrible Beauty*, endlessly stimulating and provocative, affirms that there was much more to the twentieth century than war and genocide.

**Hurricane Season** Fernanda Melchor 2020-10-06 The English-language debut of one of the most thrilling and accomplished young Mexican writers Winner of the Queen Sofía Spanish Institute's Translation Prize Longlisted for the National Book Award Shortlisted for the Booker Prize Winner of the Internationaler Literaturpreis New York Public Library Best Books of 2020 Chicago Public Library Best Book of 2020 *The Witch is dead*. As the novel unfolds in a dazzling linguistic torrent, with each unreliable narrator lingering on new details, new acts of depravity or brutality, Melchor extracts some tiny shred of humanity from these characters—innies whom most people would write off as irredeemable—forming a lasting portrait of a damned Mexican village. Like Roberto Bolaño's *2666* or Faulkner's novels, *Hurricane Season* takes place in a world saturated with mythology and violence—real violence, the kind that seeps into the soil, poisoning everything around: it's a world that becomes more and more terrifying the deeper you

explore it.
