STORY: Is of Emily Dickinson (1830-1886), that strange New England lady who hid from the world and wrote her passionate, glorious poetry in secret. The play opens shortly after her death. Her sister Lavinia has discovered her poems in a bureau

*The New Cambridge Bibliography of English Literature: Volume 3, 1800-1900* George Watson 1969 More than fifty specialists have contributed to this new edition of volume 3 of The Cambridge Bibliography of English Literature. The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis, articulation and coordination that it has been retained in all its essentials for the new edition. The task of the new contributors has been to revise and integrate the lists of 1940 and 1957, to add materials of the following decade, to correct and refine the bibliographical details already available, and to re-shape the whole according to a new series of conventions devised

to give greater clarity and consistency to the entries.

### **The Collected Poems of Emily Dickinson**

Emily Dickinson 1993

Collected Poems Emily Dickinson 1999 A powerful collection of verses by one of America's greatest poets. These beautiful, profound meditations on nature, spirit, faith, and love were created by the brilliant imagination of one of our most original poets.

*The Emily Dickinson Collection* Emily Dickinson  
2021-08-03 The Emily Dickinson Collection  
(2021) compiles some of the best-known works  
of an icon of American poetry. Out of nearly two-  
thousand poems discovered after her death, less  
than a dozen appeared in print during  
Dickinson's lifetime. Drawn from such influential  
posthumous volumes as *Poems* (1902) and *The  
Single Hound* (1914), *The Emily Dickinson  
Collection* captures the spiritual depths,  
celebratory heights, and impenetrable mystery  
of Dickinson's poetic gift. "Fame is a fickle food /  
Upon a shifting plate, / Whose table once a  
Guest, but not / The second time, is set." Deeply  
aware of the fleeting nature of fame,  
Dickinson—whose reputation in life was as a  
lonely eccentric who rarely, if ever, left  
home—seems to provide some clarity as to why  
publication so often eluded her. Having  
published just ten poems in her lifetime,  
Dickinson continued to write in solitude until her

final years. Her final word on fame is a warning,  
perhaps, for poets whose fate would differ from  
her own: "Men eat of it and die." Despite her  
admonishing tone, she found space elsewhere to  
muse on the nature of literary achievement,  
recognizing that obscurity could incidentally  
produce the conditions for a poet to produce  
their most vital work: "Success is counted  
sweetest / By those who ne'er succeed. / To  
comprehend a nectar / Requires sorest need."  
Throughout her life, Emily Dickinson showed a  
profound respect for the mysteries of worldly  
existence. In her poems, this creates an  
atmosphere of prayer and contemplation, a  
search for something beyond the simple  
answers: "Some things that fly there be, — /  
Birds, hours, the bumble-bee: / Of these no  
elegy." Amid such fleeting things, she catches a  
glimpse of eternity. With a beautifully designed  
cover and professionally typeset manuscript, this  
edition of *The Emily Dickinson Collection* is a  
classic of American poetry reimagined for

modern readers.

**Clyde Fitch and the American Theatre** Kevin Lane Dearing 2016-07-29 Clyde Fitch was a major figure in the American theatre, influential in his time and to the playwrights who followed. A collection of Fitch's letters published in 1924 provided a sanitized record of his life, but no major biography has since appeared. *Clyde Fitch and the American Theatre: An Olive in the Cocktail* is the missing piece in the study of this important playwright and his contributions to gay history in a way that gives his plays the reconsideration and revival deserved.

*Selected Poems* Emily Dickinson 2020-04-07 A collection of poems by "one of America's greatest and most original poets of all time" (Poetry Foundation). One of the nineteenth century's leading poets, Emily Dickinson wrote nearly 1,800 poems during her lifetime, though only a handful were published. This collection includes some of Dickinson's best-known works, reflecting her thoughts on nature, life, death, the mind, and the spirit. "Emily Dickinson is one of our most original writers, a force destined to endure in American letters. . . . Without elaborate philosophy, yet with irresistible ways of expression, Emily Dickinson's poems have true lyric appeal, because they make

abstractions, such as love, hope, loneliness, death, and immortality, seem near and intimate and faithful.” —The Atlantic “Emily Dickinson did not leave any poetics or treatise to explain her life’s work, so we can come to her poetry with minds and hearts open, and unearth whatever it is we need to find. Her oeuvre is a large one and most of her work was done in secret—she didn’t share most of what she wrote. Ten or so poems were published in her lifetime, mostly without her consent. She often included poems with letters but, after her death, the poet’s sister Vinnie was surprised to find almost eighteen hundred individual poems in Dickinson’s bedroom, some of them bound into booklets by the poet.” —Publishers Weekly “Dickinson found love, spiritual quickening and immortality, all on her own terms.” —The Guardian
