The Healer Emma Sargent 2015-12-28 Once upon a time, Psychics and Healers were revered.

They held positions of status and authority. They were the closest confidants to Kings, Emperors and mighty rulers. Over the centuries, the Western world changed. Psychics and Healers moved underground, as though their work had become taboo. To admit consulting with one was akin to a belief in faeries, witchcraft or even aliens. Today, there are different classes of Seer. Some charge \$5 a minute, giving readings of a dubious nature over the phone. The real Psychic Healer operates by word of mouth. Often they are booked weeks and months in advance. They consult to the most powerful and wealthy. They are privy to information that would boggle the mundane mind. They hold court between what is seen, and what only they can see. They are the holders of truth, reveling in the mysteries of life and ancient wisdom. Alex Telman is a real Psychic Healer. These are my conversations with him. The Healer is the must-read book of 2016. A storyteller and an internationally renowned psychic healer weave their own personal

experiences and discuss all the taboo topics relevant to the modern life. The concepts leap from the page and into your mind, planting seeds of suggestion, invitation, and encouragement Readers have described The Healer as a life-changing map that they have been unable to put down. The Healer not only inspires a new set of eyes for life but also demystifies a number of murky words and concepts along the way. Think. Differently. *Debra's Gifts* Lorraine Paul Noznisky 2013-08-01  
Mother's Statement: This book is about our experience with my daughter Debra's walk with cancer. It is every mother's nightmare — losing a child. It began the first day my daughter was diagnosed. Never did I consider the possibility that my diary would serve any purpose other than to try to understand the mystery and confusions, or lack of information, or misinformation during her treatments; also our hopes, disappointments, the roller-coaster of emotions, and the confusing medications. We

have never been able to verify her treatments, as after numerous requests, we were not given Debra's medical records.

**Kindred, Gift Edition** Octavia Butler  
2022-09-20 The New York Times best-selling author's time-travel classic that makes us feel the horrors of American slavery and indicts our country's lack of progress on racial reconciliation The series adaption from FX premieres December 13 on Hulu. Developed for television by writer/executive producer Branden Jacobs-Jenkins (Watchmen), executive producers also include Joe Weisberg and Joel Fields (The Americans, The Patient), and Darren Aronofsky (The Whale). Janicza Bravo (Zola) is director and an executive producer of the pilot. Kindred stars Mallori Johnson, Micah Stock, Ryan Kwanten, and Gayle Rankin. "I lost an arm on my last trip home. My left arm." Dana's torment begins when she suddenly vanishes on her 26th birthday from California, 1976, and is dragged through time to antebellum Maryland to rescue

a boy named Rufus, heir to a slaveowner's plantation. She soon realizes the purpose of her summons to the past: protect Rufus to ensure his assault of her Black ancestor so that she may one day be born. As she endures the traumas of slavery and the soul-crushing normalization of savagery, Dana fights to keep her autonomy and return to the present. Blazing the trail for neo-slavery narratives like Colson Whitehead's The Underground Railroad and Ta-Nehisi Coates's The Water Dancer, Butler takes one of speculative fiction's oldest tropes and infuses it with lasting depth and power. Dana not only experiences the cruelties of slavery on her skin but also grimly learns to accept it as a condition of her own existence in the present. "Where stories about American slavery are often gratuitous, reducing its horror to explicit violence and brutality, Kindred is controlled and precise" (New York Times).
