## **Journal secret (1836-1837)**

Alexandre S. POUCHKINE  
2011-02-17 La redécouverte d'un manuscrit mythique et contesté, recherché durant plus d'un siècle et sorti clandestinement d'URSS : le fameux journal secret de Pouchkine. Une confession érotique et tragique, où le grand écrivain russe nous dévoile les secrets de son âme obsédée par la chair et la mort.

Une réflexion brillante sur la passion, la création et le destin. À la veille d'un duel qu'il pressent fatal, Pouchkine se met à nu et livre la face cachée de l'homme que toute la Russie encense : sa soif d'écrire et de jouir, les difficultés de sa vie maritale, ses relations complexes avec le tsar Nicolas 1er. Et, surtout, son besoin de collectionner les femmes avec le stakhanovisme du laid savourant sa revanche, lui, le

nain au visage de singe marié à une déesse. Séducteur insatiable, amant de ses belles-sœurs aussi bien que de catins racolées dans les rues de Saint-Pétersbourg, organisateur de cérémonies orgiaques, sa vénération pour le sexe féminin lui fait multiplier les aventures comme un saint homme qui visiterait toutes les églises pour mieux prier Dieu. Mais quand son épouse se prête aux jeux érotiques du tsar ou sourit aux œillades du jeune et beau baron français d'Anthès, Pouchkine se laisse dévorer par la jalousie jusqu'à causer peu à peu sa propre perte...

язык. Главный герой Тайных записок, А. С. Пушкин, предстаёт в необычном ракурсе – в многообразии интимных связей, в непростых размышлениях о жизни, природе греха, любви и творчества, сложности жизненного пути русского поэта, приводящего его к трагическому концу. Тайные записки вызвали и продолжают вызывать шквал самых противоречивых оценок, многие пушкинисты считают их талантливой мистификацией. Но всё это лишь подогревает к ним интерес. Книга издана в двадцати пяти странах и заслуженно считается самым скандальным образцом русской эротики. Внимание! Содержит ненормативную лексику! and bio-literary articles; introductions; comparative studies; Russian and foreign memoirs; popular studies; general and individual studies of Chekhov's plays and short stories; studies of his non-fiction, letters, notes, and diaries; and special categories: film, language and stylistics, documents and documentation, translation studies, dissertations, bibliography, and collections. Part Two, Translations, is divided into general collections, drama collections, individual dramas, story collections, individual stories; non-fiction, letters, notes, and diaries; and film. Part Three, Critical Reviews, provides a comprehensive selection of the most significant reviews in major English-language newspapers and journals through the year 1993. It is not possible to provide a comprehensive selection of an estimated 350,000 reviews of Chekhov plays, 1994-2003, but an attempt has been made to provide a representative sampling of reviews in major

newspapers and current periodicals. Citations throughout this Bibliography are full and unabbreviated, the intent being to provide access to each work in every appropriate category without complicating the search process with confusing cross-listings. Entries for collections are accompanied by listings of contents in the order given in tables of contents or alphabetically. Entries for collections provide a base for subsequent listings of individual major works for addition of subsequent editions, reprints, and republications. Translations of plays are categorized by their most commonly known English titles and cited within categories by the English title given for a particular translation. English titles of stories have not been rationalized in this way because the large number of Chekhov's stories would require division of the section on individual stories into virtually hundreds of subsections. Instead, stories are

listed in alphabetical order by the various English titles given for a particular translation.
